Lorne Main Beaten

QUEBEC (CP)—Henri Rochon of Montreal, top-ranking Canadian tennis player, today ousted Lorne Main of Vancouver, Canadian junior champion, in a semifinal match of the Quebec senior open singles. Scores were 6-4, 6-4, 6-0.

Plan Attempt To Refloat B.C. Coaster From Reef

Today's Sports

Stranahan Wins; McElroy 2 Down

Racing At Vancouver — Selections —

HAMILTON, Ont. (CP)—Defending champion Frank Stranahan of Toledo, O., advanced to the finals of the Canadian amateur championship today with a 4 and 3 semi-final win over Larry Dana of Bradford, Pa., at the 33rd hole.

Meanwhile, Walter McElroy of Vancouver appeared in danger of losing his semi-final match with Joe Stoddard of Hamilton when the latter stood two up on the 32nd hole. The winner will meet Stranahan in the 36-hole final Saturday.

First Big Stake At Lansdowne Has 7 Strong Entries

First of the major stake events of the B.C. Turf and Country Club program at Lansdowne, goes Saturday with seven entries for the honors and \$2,000 added stake in the Leighton Memorial Handicap.

Sharing top weight of 118 pounds, Association, the five-year-old British import of Jack Pattison's Pacific Farms Stable, is considered the top contender among the three-year-olds and upwards who will go over the mile and one-eighth route.

The son of Pixie-Bonnie Lola carried off last Saturday's \$2,000 Vancouver Handicap leading from wire to wire to cover the mile and one-sixteenth in 1:43.45.

He will face strong contention this Saturday from Pacific Pearl of the Dr. L. H. Appleby stable, weighted at 116, and Sir Berrill, the Locheed and Drumheller speedster assigned 114 pounds.

Assigned top weight of 118 with Association is Topsy Lass, the threat of the Frank Kilroy Meadowbrook stable to repeat its victory over last year in the Leighton Memorial. Topsy Lass is making her first start at Lansdowne after winning the closing day \$3,000 event at Winnipeg.

Others assigned weights are Karagas, 109; Saffworth, 110, and Gwynfyd, 109.

Australians Win Mackinnon Cup

BISLEY CAMP, England (CP)—Australia today won the Mackinnon Cup, historic team match of the big Empire military rifle shoot here, first Aussie victory since 1928.

Overnight Entries

VANCOUVER (CP)—Lansdowne Park

entires Saturday, July 17.

First race—Purse \$900, for three-year-olds, foaled in Canada, one mile:

6438 Lily Destrer (Godley) 115
6439 Lamouche (Stoddard) 115
6440 Lord Onslaught (Sumner) 115
6441 Peggy Lane (Gomes) 115
6442 Paschal Jane (Johnson) 115
6443 Brown's Line (Williams) 115
6444 Burial (Coppinell) 115
6445 War Peggy (Robertson) 115

Second race—Claiming \$900, for four-year-olds and up, six furlongs:

6446 Red Onslaught (Johnson) 115
6447 Naidu (Sumner) 115
6448 True Act (Martin) 115
6449 Serial Number (Coppinell) 115
6450 Brown Orchid (Millman) 115
6451 Heysira (Swigart) 115
6452 Yreka Snow (Noffsinger) 115

Third race—Claiming \$900, for four-year-olds and up, six furlongs:

6453 Rollaway (Bailey) 115
6454 Inchkeith (Martin) 115
6455 Western Comet (Gomes) 115
6456 Joan de Miel (Moncrief) 115
6457 Silent Flame (Summers) 107
6458 Savage Sailor (Wilson) 115
6459 Frisco Destrer (Godley) 115

Fourth race—Allowance \$900, for four-year-olds and up, six furlongs:

6460 Scarlet Hope (Gomes) 105
6461 Pineworth (Robertson) 115
6462 Malinka (Stoddard) 115
6463 Sirandy (Martin) 115
6464 Lady Playfair (Bailey) 115
6465 Moose Jaw (Johnson) 115
6466 Cherokee Boy (no boy) 115

Fifth race—Allowance \$900, for four-year-olds and up, six furlongs:

6467 Prince Alo (Bailey) 115
6468 Bonnie Park (Johnson) 108
6469 Iho (Martin) 115

6470 Happy Bob (Coppinell) 115

6471 Art Gallery (Summers) 120

6472 Hiram (no boy) 103

6473 Patsy (Alley) 108

Sixth race—Allowance \$900, for four-year-olds and up, one mile and one-sixteenth:

6474 Pea Soup (Bailey) 117
6475 Elmbrook Count (Robertson) 115
6476 Watson (Johnson) 115
6477 Count Galreigh (Summers) 115
6478 World Wide (Johnson) 115
6479 Dry Year (Williams) 115
6480 Leo's Lady (Gomes) 115

Seventh race—R. F. Leighton Memorial \$2,500 added, for three-year-olds and up, one mile and one-eighth:

6481 Association (Martin) 118
6482 Pacific Pearl (Williams) 115
6483 Gwynfyd (Johnson) 115
6484 Topsy Lass (Bailey) 115
6485 Karakas (Stoddard) 109

Eighth race—Claiming \$900, for four-year-olds and up, one mile and one-sixteenth:

6476 Stockton (no boy) 115
6477 Sir Andy (Gomes) 115
6478 Rio Rose (Gomes) 115
6479 Double Bo (Nelson) 115
6480 Pass Forward (Stoddard) 115
6481 Gearjammer (Williams) 115
6482 Van Vic (Summers) 115
6483 Sir Marquette (Robertson) 115
6484 Rural Parade (no boy) 115
Also eligible: 6485 Mosca (Alley) 115

Weather clear. Track fast. First post 2:30 p.m. P.D.T.

*Apprentice allowance claimed.

OPIUM POPPY PLANTS TO BE DESTROYED — Opium poppy plants in Ontario's Windsor and Essex county fields are getting the scythe under R.C.M.P. order to wipe them out in 24 hours. Here, two R.C.M.P. officers hack away with scythe and hoe. They found 10 acres growing in one Windsor city block.

O.C. Cricket

LONDON (Reuter) — County cricket results today:

At Lords: Players defeated Gentlemen by seven wickets. Gentlemen first innings 266 for nine declared; second innings 183 for five declared; Players first innings 217, second innings 233 for three.

Surrey vs. Leicestershire: Match drawn. Leicestershire first innings 227, second innings 156 for six; Surrey first innings 191.

Sussex vs. Essex: Match abandoned owing to rain. Essex first innings 213, second innings 117 for eight; Sussex first innings 224.

Nottinghamshire defeated Hampshire by six wickets. Hampshire first innings 248, second innings 177 for seven declared; Nottinghamshire first innings 247, second innings 180 for four.

Derbyshire defeated Gloucestershire by 87 runs. Derbyshire first innings 207, second innings 210; Gloucestershire first innings 202, second innings 128.

Yorkshire vs. Glamorgan. Match drawn. Yorkshire first innings 339, second innings 131 for three declared; Glamorgan first innings 243, second innings 63 for no wickets.

Northamptonshire defeated Kent by an innings and 200 runs. Northamptonshire first innings 445 for nine declared; Kent first innings 171, second innings 174.

Warwickshire vs. Scotland. Match drawn. Warwickshire first innings 306 for four declared; second innings 116 for two declared; Scotland first innings 187, second innings 160 for three.

PHILADELPHIA (AP)—Philadelphia Phillies today fired Ben Chapman and named coach Allen (Dusty) Cooke as temporary manager effective at once.

Robbery Hinted As Motive For Calgary Murder, 1929

CALGARY (CP)—Police today suggested robbery as a possible motive for the 19-year-old "spook-house" murder of Thomas Charles Hall, whose body was found last week in a shallow grave under a five-room cottage in the northwest section of the city.

Inspector of Detectives Reg. Clements, in charge of the case, said investigation had shown "Hall was a man who had had considerable money from time to time."

He said police had carried out a thorough search of the ramshackle, shingle-sided cottage in which Hall lived until he disappeared in March, 1929, and in which his body was found.

"If the motive of the murder was robbery, the killer or killers got what they were looking for," he said.

"Hall was supposed to have obtained quite a lot of oil stock in 1914 and was believed to be still in possession of it in 1929."

Meanwhile, Dr. Lola McLatchie, pathologist, continued an autopsy which was opened Thursday.

"It will probably be a week or 10 days before the cause of death is known," she said.

The autopsy itself, which may be completed later today, is to be followed up by lengthy investigations of the results obtained.

Both Rice and Duckworth are held in locked wards, pending an investigation by the Federal Bureau of Investigation, Beck said. As the shooting was done on a federal reservation, civil authorities were not called in.

Beck said both men, paralyzed from the waist down, had previously fought on the hospital sun porch until both fell from their wheelchairs. Guards separated them and carried the two men to their beds.

Paraplegic Shot After Fight In Wheel Chairs

MEMPHIS, Tenn. (AP)—A paraplegic veteran was reported in fair condition today after a shooting that climaxed a fist fight from wheel chairs at Kennedy Veterans' Hospital.

The wounded man, Richard Hicks, 31, was shot through the left thigh by a similarly-paralyzed patient, said Dr. Clyde Beck, hospital manager.

Beck identified Hicks' assailant as Wallace Rice, 28. He said Rice had held a small .25-calibre automatic against Hicks' head, but the safety catch was on and the gun wouldn't fire.

Beck said Rice wheeled his car over to a friend, Dow Duckworth, 20. After Duckworth had showed him how to work the pistol, Beck said Rice fired a shot through the floor to make sure the gun was working and then shot Hicks.

Both Rice and Duckworth are held in locked wards, pending an investigation by the Federal Bureau of Investigation, Beck said. As the shooting was done on a federal reservation, civil authorities were not called in.

Beck said both men, paralyzed from the waist down, had previously fought on the hospital sun porch until both fell from their wheelchairs. Guards separated them and carried the two men to their beds.

180 Passengers, Crew Saved From Stricken Vessel

First attempts to dislodge the Union Steamship Line's Ss. Cardena from the reef into which she plowed early today off False Bay, Lasqueti Island were planned for high water today.

George Unwin, straits towing diver, reported that the ship is being lightened for the pull. Cargo and fuel are being taken off and water is being pumped out.

The tugs Salvor and Cheerful and three scows, dispatched from Vancouver, are standing by to pull the vessel from the rocks.

After the crash the ship's 180 passengers and crew were taken off safely in lifeboats, and removed to False Bay, where shelter and food were provided in a hotel.

It was a rough awakening for the passengers. Some were thrown from their bunks, and others, it was reported, knocked down in a mad scramble for lifeboat stations.

"There was some panic at first," Assistant Purser E. D. Coates told the Canadian Press in a radio-telephone interview from False Bay.

"But it was quickly over and the passengers were taken off in an orderly manner. We had quite a few women and children aboard. There was a rush to the decks, but all were taken off without injury."

BADLY DAMAGED
Fast on the ledge, the Cardena was reported in no immediate danger, but wireless reports said she had been badly holed and suffered serious damage amidships.

It was foggy off the coast early in the morning. The ship was heading for the entrance to False Bay, off rock-bound Lasqueti Island.

"It's a rough spot," said Purser Coates, "and plenty rocky."

With a crunching sound, the ship hit hard, furniture sliding across the cabins and lounge room.

Crew members were called to their stations, pumps were manned, and a call for aid sent out by Capt. W. McCombe of Vancouver, in command of the 1,559-ton coastal vessel.

The Cardena left Vancouver late Thursday night, bound for northern ports along the coast to Rivers Inlet and Bella Coola.

A salvage tug and scows reached the stranded vessel shortly before noon today and the Ss. Chelohsin arrived to pick up the passengers. They will be returned to Vancouver, reaching there early tonight.

The Cardena, 226 feet long, was built in Glasgow in 1923. She had two previous mishaps in the last six years, but each time escaped serious damage.

Railways Unions Sign Contract

MONTREAL (CP)—An agreement between the railways and 18 International Brotherhoods giving effect to the 17-cents-an-hour wage increase which settled a company-union dispute Wednesday was signed here today shortly after 1 p.m., C.D.T.

The agreement was reached Wednesday afternoon 15 hours before the unions threatened a general strike to enforce wage demands.

By Frank Godwin

'Rebellious Southerners Walk Out'

Waving the Confederate flag, 13 bolting Alabama delegates and all of Mississippi's 22 delegates walked out of the National Democratic Convention at Philadelphia in one of the gathering's most dramatic moments.

Chapman Surprised At Being Let Out

ST. LOUIS (AP)—Ben Chapman said today his dismissal as manager of Philadelphia Phillies was "a complete surprise" to him, but added that he was stepping aside "with no hard feelings."

"I don't think we were doing so bad, two games out of fourth place," he added, "considering the fact that we were going along with two Class A outfielders, two Class A infielders and three Class B pitchers."

Canada To Train Airborne Group Fit To Meet Diversionary Blow

OTTAWA (CP)—The airborne brigade group, slated to be the ever-ready 7,000-strong fighting segment of the permanent Canadian army, will start training as a unit next year, the chief of the general staff disclosed today.

It would then be ready, Lt. Gen. Charles Foulkes said in an interview, to meet what Defence Minister Claxton recently pictured as the only immediate danger on the defence horizon—the possibility of a diversionary attack.

Gen. Foulkes said the group, to be a self-contained, all-arms body, now is in component unit concentrations, training at company and squadron levels in various camps across the country.

STEP UP TRAINING

Its infant, armored, artillery and other regiments would step up their training to battalion or regimental levels this fall as a final prelude to schooling as a brigade next year. A commander would probably be named then. Its twofold purpose was to act as a training ground for instruc-

tors, soldiers and commanders and to be ready to meet any emergency.

Gen. Foulkes said one of its three infantry battalions—the Royal Canadian Regiment, now at Petawawa, Ont.; the Princess Patricia's Canadian Light Infantry, now at Calgary, or the Royal 22nd Regiment, at Valcartier, Que.—would start airborne training at Rivers, Man., this autumn.

It would be followed by the various other units until they were ready to take to the air to meet any emergency. As a further step, platoons from some of the units would do northern training next winter.

The group was estimated at better than 70 per cent of its target strength and would be recruited up to the total, possibly by next April. Its strength will be more than 25 per cent of the full army.

Its regiments now are scattered this way: Petawawa—Royal Canadian Regiment; Wainwright, Alta.—Lord Strathcona's Horse and, in September, the P.C.L.I.; Valcartier—Royal 22nd.

Shilo, Man.—Field Regiment of Artillery.

ALBERNI THEFT

B.C. Police report theft of a number of cast-iron articles from Littleton's Mill at Alberni recently. List includes a sprocket chain, several gears, a \$185 saw-filer's anvil and 30 to 40 rabbit bearings.

When seeking a gift, make a practice of visiting Skinner & Cran, the spacious, well-stocked china and jewelry store in the Pemberton Bldg., 621 Fort St.

LIBERAL CHOICE—W. E. (Bill) Poupore, former R.C.A.F. wing commander and veteran of two wars, has been chosen Liberal candidate for the Nanaimo federal riding. His home is at Sidney. In World War II, Mr. Poupore served at Western Air Command and Patricia Bay before going overseas. He was in charge of the move from Victoria to Vancouver of Western Air Command Headquarters. In World War I he was a member of the P.C.C.L.I.

Alberni Legion Head Orders Inquiry

ALBERNI—Investigation into a resolution passed recently by Somass Legion Branch 169 at Alberni on political patronage in veterans' appointments to civil service, has been ordered by Alec Lockwood, president of the branch.

Stepping down from the chair until the resolution is clarified, Mr. Lockwood said that as a civil servant himself, he felt he could not retain the chair during the investigation.

Rev. Glen Stevenson moved a resolution stating that although veterans were given first chance at civil service position, in some cases they were required to get approval of local political agents after they qualified in the regular way. He claimed proof of ability for the job should be enough. Sharp denial of the patronage charges came from the executive of Comox-Alberni Federal Liberal Association.

Ambulance Board Urged For Sooke

SOOKE—Recommendation that an ambulance board be formed to take charge of the West Coast Ambulance now serving Sooke area was made by the ambulance committee following a meeting of Sooke Volunteer Fire Department, in Community Hall here.

The small ambulance was converted by a city firm from a truck, painted white with the name "West Coast Ambulance" inscribed on the sides. The ambulance has two beds, and interested persons have volunteered to supply blankets and other equipment. The ambulance will be stationed at Sooke, where drivers will be available at all times.

John Reeves of Jordan River was chairman of the meeting and William Milligan, representing the district of Shirley, was present.

At the fire department meeting, presided over by A. F. Brownsey, members were notified the local unit would receive two weeks' instruction from members of the Victoria Fire Department on use of the inhalator. Miss Elaine Shields was appointed secretary of the Sooke volunteer unit.

Hindu Remanded In Assault Case

A preliminary hearing was held by Joseph McKenna Thursday in Saanich police court in the charge against Bina Singh, 728 Cloverdale Avenue, that "on July 12 he did unlawfully assault and beat Sylvia Day and occasion her actual bodily harm." Accused was remanded for one week for the hearing.

Unions To Protest Shooting Of Seamen

VANCOUVER (CP)—Forty-five district union locals said Thursday they would protest to Ottawa the shooting Wednesday of five Canadian Seamen's Union (T.L.C.) members at Sarnia, Ont. The locals, affiliated with the Vancouver and New Westminster Labor Council, said they would ask Labor Minister Mitchell to put an end to the current Great Lakes shipping dispute.

Shark Damages Rudder Of Boat Off Bamfield

A basking shark which lurked too near the surface off Bamfield damaged the rudder of the Maureen R. owned by Reese Riley, it was learned today. The rudder was damaged when the boat scraped across the back of the shark, hoisting the stern about a foot out of the water.

Details Of Hospitalization Plan Announced By Pearson

Costs of the government's hospital insurance service were announced Thursday by Health Minister George S. Pearson.

Details of the program were given by the minister at a meeting of the Hospital Advisory Council at Vancouver.

He said everyone must register in the scheme, regardless of their financial status or whether or not they hold other health insurance policies. Registrations will start next month.

Premiums will range from \$15 to \$30 a year. Here are the groups:

Single financially-independent persons over 16 years will pay \$15; head of a family with one dependent will pay \$24; head of a family with more than one dependent will pay \$30, whether all dependents live with him or not.

SOME EXEMPTIONS

Even though everyone must register, everyone may not have to pay. Persons with private health insurance policies which match government standards will be exempt.

Old-age and blind pensioners, recipients of mothers' allowances and others receiving social assistance will have their premiums paid by the provincial government.

Payment of premiums will start in October. The scheme will start operating Jan. 1, 1949. All those who have paid premiums by Dec. 1, 1948, will be protected Jan. 1. Payments may be staggered until March.

WARD ACCOMMODATION

Here is what state hospitalization provides:

Public ward accommodation, meals, special diets, ward nursing care, operating-room facilities, surgical dressings and casts, X-ray service (where available), laboratory service (where available), physiotherapy, hospital maternity care (with no waiting period).

Doctors' bills will not be paid. Individuals will not make

claims for expenses. Hospitals will look after billing the government.

CAN PAY DIFFERENCE

A person may obtain a private hospital room by paying the difference between public and private wards.

In maternity cases, many private insurance policies contain a clause stating woman must wait up to 12 months before getting hospital maternity care. The government's scheme contains no such clause.

Mr. Pearson warned unnecessary hospitalization will not be allowed. Patients will receive the treatment they require, then will be discharged.

FORMS SENT OUT

Dr. J. M. Hershey, health insurance commissioner, said every person who has resided in the province six months will be required to register. Forms will be sent out by mail to all heads of families and single persons shortly.

Among persons who will be granted exemption are members of the Christian Science Church and persons living in areas where hospitalization now is not practical.

Persons who pay premiums in full before Nov. 30 will have full coverage for the year 1949, and those who pay half the premiums by the same date will be covered up to June 30.

AMPLE NUMBER OF BEDS

Dr. Hershey believes there are ample hospital facilities in the province to accommodate everyone. U.S. authorities estimate there should be 4.5 beds for every 1,000 people. B.C. has six beds per 1,000 population.

Services not included in the program are treatment for injuries and ailments provided under the Workmen's Compensation Act; cures for alcoholism and drug addiction; treatment for diseases already handled by government or municipal institutions, and out-patient care.

Gromyko Goes Home; Not Known If He Will Return To U.N. Post

LAKE SUCCESS (CP)—Andrei A. Gromyko has again walked out of the United Nations Security Council—this time perhaps forever.

The Russian deputy foreign minister, whose huffy walkout from the council caused a sensation in March, 1946, was to sail today for Russia on the liner Gripholm.

The grimly-determined Gromyko, who gained a reputation as the hardest-working delegate in the 11-member council, is going on a vacation of indefinite duration. It will be the first he has spent in his homeland since coming to the Russian embassy in Washington nine years ago.

GETS MOST PUBLICITY

Most publicized delegate to the world agency, the tall, dark-haired Russian drew the spotlight first when he walked out of the Security Council soon after it had convened at Hunter College, New York.

Stubborn and aloof, Gromyko was angered because the council voted to take up Iran's charges that Russia was interfering in Iran's affairs and would not withdraw Russian soldiers.

But the 39-year-old Gromyko's attitude towards the U.N. appears to have changed since he first came up from Washington in 1946.

Trygve Lie, U.N. secretary-general, emphasized Thursday at a press conference that Gromyko had said "au revoir" and not goodbye as he took his formal leave.

Veteran observers here said Gromyko has come to like his U.N. job and hopes to return. The odds were even that he would be back after his rest to add to his top score of 25 vetoes.

He said au revoir . . . ANDREI A. GROMYKO.

a score which has helped make him a feature attraction of the horseshoe-shaped council table.

His last veto was used in debate on atomic energy, a topic in which he crossed swords more than once with Gen. A. G. L. McNaughton of Canada.

The Canadian delegate, the Dominion's top expert on atomic energy, staunchly supported the United States proposal to set up international control of atomic energy.

Gromyko's 25th veto killed an American proposal putting the Security Council on record as approving the U.S. plan, supported by the majority of the council.

Britain Encouraged By Cripp's Statement Inflation Limited

By CANADIAN PRESS
One of the most encouraging items of news out of Britain in some time is Sir Stafford Cripp's statement that the turn has come from rising costs.

It is encouraging in several ways, not only to Britain, but to other countries, including Canada. It is an indication, for one thing, that the so-called "inflation spiral" has certain limits, at least if met with determined steps.

It is also encouraging in that Britain's success in stopping the increasing costs of production was essential to her recovery and her trade with the rest of the world. Her hope of keeping her currency at its present official level lay in raising its real value through world trade.

Obviously this couldn't be done so long as her costs kept rising, and she was reaching the point where she was pricing herself out of export markets.

Sir Stafford is not temperamentally inclined to put a rosy hue on things, and his words can be taken with the more seriousness. He doesn't say the battle has been won, but he does indicate a hopeful turn in the tide, and his words are a

hopeful contrast to the rather discouraging statements and figures which have been coming from Britain in almost unbroken succession.

Washington Girl Of 14 Kills Cougar

TOLEDO, Wash. (AP)—Violet Witherow, 14, Toledo, thinks little of having killed a cougar this week with two shots from her .22 calibre gun.

Previously this year she had killed two coyotes with the same gun.

Her dog treed the cougar. Her first shot broke its back and her second, after the animal had fallen, went through one eye and brought death. The cougar measured 7 feet 4 inches.

Fresh Rioting In Italy As General Strike Called Off

ROME (AP)—Fresh disorders erupted in Italy today as the Communist-led general strike sputtered to a halt.

The Communists called off the strike after Premier Alcide De Gasperi's government had said it would use force to break the "insurrection."

The official end of the walk-out at noon came amid scenes of wild tumult in the Chamber of Deputies, where Christian Democrats and Communists engaged in fist fights. There were repeated in miniature the strike-bred disorders which had swept the country for 36 hours following the attempted assassination of Communist Leader Palmiro Togliatti.

At least 13 persons were killed and more than 100 injured in the Communist-sparked rioting. Even before the hour set by the Communist-led General Confederation of Labor (C.G.I.L.) for the end of the walkout, the strike virtually had collapsed.

In the last hours of the strike

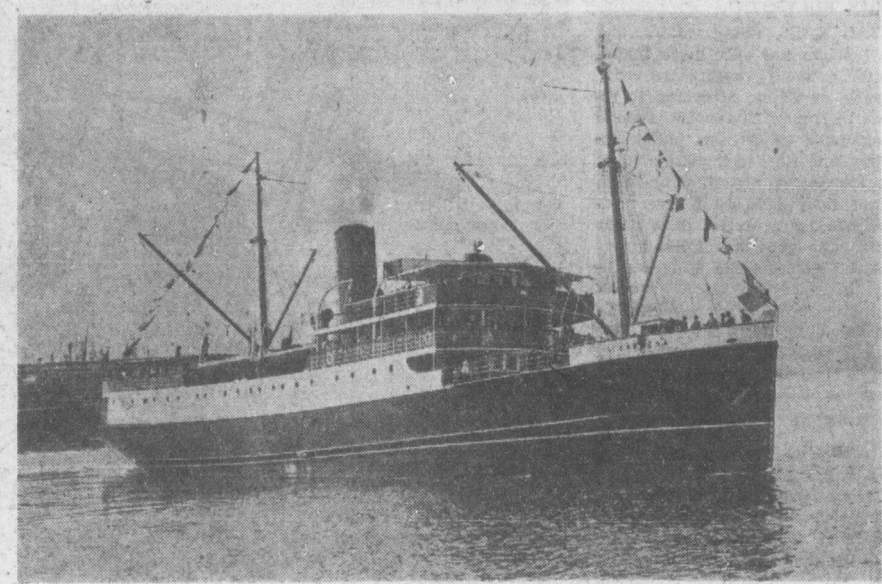

16 persons were wounded, three severely, in a gun battle in Bologna. Police used their guns on strikers after they had been fired on from the windows of the Chamber of Labor office there.

Disorders also occurred in Milan and Palermo as die-hards strove to enforce a walkout right up to the noon hour. Authorities regained control of Genoa, one of the major trouble spots.

Ford Ups Salaries

DETROIT (AP)—The Ford Motor Company today raised the wages of 25,500 salaried employees by from \$20 to \$50 a month, an average of about 9 per cent. At the same time, the company rejected, for the present at least, any intervention by the Federal Mediation and Conciliation Service in its wage deadlock with the United Automobile Workers (C.I.O.).

Ship Casualty In Strait Of Georgia

Union Steamship's Ss. Cardena, which was seriously damaged when she struck a reef early today at the entrance of False Bay, Lasqueti Island. Passengers and crew totaling 180 left the ship and safely reached shore. This afternoon the vessel was still hard on the reef.

Weather Southern Revolt Seen As Political History

Weather synopsis and official forecast issued from the Dominion public weather office Vancouver at 9 a.m. July 16 valid until midnight July 17.

Clear skies and light winds will produce pleasant weather in nearly all areas of the province during the next 48 hours. Thin cloudiness which is present in the lower mainland and Vancouver Island regions is not expected to prove any serious threat and fog along the west coast and Queen Charlottes should lift by midday. Afternoon temperatures are expected to reach 65-75 at the coast and 85-95 over the interior causing an increased forest fire hazard in many areas of the province.

Vancouver and vicinity, lower Fraser Valley and Georgia Strait—Clear and warm today and Saturday. Winds light. Low tonight and high Saturday at Vancouver airport 65-75. Abbotsford airport 53-85. Nanaimo 54-80. Victoria and vicinity—Clear and warm today and Saturday. Winds light. Low tonight and high Saturday at Victoria 53-75. West coast of Vancouver Island

ATLANTA, Ga. (AP)—Many leading southerners expressed belief today the civil rights battle marks a major turning point in the political history of the United States.

The republic is witnessing, they said, either the first pangs of a new party or the beginning of a significant shift, a new lineup of supporters and policies under the old Democratic and Republican labels.

Some of the south's largest newspapers saw an end to the half-century of one-party Democratic rule in the south.

Senator Richard Russell (Dem.-Ga.), under whose banner 263 southern voters rallied at the Democratic convention, said in an interview:

"If the Democratic Party is to become a tool of the big-city machines, as it now appears, then we southerners must take some other steps."

Said the Memphis Press-Scimitar: "The south's fight for under standing . . . can no longer be a fight of Democrats versus Republicans. It must be a fight of southern citizens within each party."

—Fog patches over the shoreline this morning and Saturday morning otherwise clear. Winds light. Little change in temperature. Low tonight and high Saturday at Estevan 52-66.

M.P.'s Within Call

LONDON (AP)—A high government source declared today that unless the Berlin crisis eases members of Parliament will be kept within easy recall of London during the summer. Instead of recessing for the summer, the source said, Parliament may merely be adjourned.

Jews Take Nazareth

HAIFA (AP)—Israel forces captured Nazareth, boyhood home of Christ, today, it was reported officially.

Nanaimo Yacht First To Sail In Race

TACOMA (AP)—First of 107 cruisers, the Awgwan II, a 30-foot cabin craft owned by K. H. Dunsmore of Nanaimo, weighed anchor at 12.07 today to open the International Power Boat Association's predicted log race between Tacoma and Vancouver.

The departure was marked by colorful ceremonies and viewed by several hundred spectators. Ships will continue to leave in the race that isn't a race steadily until 5 a.m. tomorrow. All hoping to arrive at Vancouver as near 11 a.m. Saturday as possible.

British Jets Complete First Atlantic Flight

MONTREAL (CP)—Montreal authorities said it was about 10.30 a.m. The planes refueled at Mont Joli before a scheduled flight to nearby Dorval airport, where they were expected to arrive this morning.

The jets left their base at Odiham, Hampshire, England, July 1. They were held up by weather at Stornoway in the Hebrides before they were able to make the hops to Iceland, then to Greenland and across the northern seas to Goose Bay.

authorities said it was about 10.30 a.m. The planes refueled at Mont Joli before a scheduled flight to nearby Dorval airport, where they were expected to arrive this morning.

RUSSIAN SQUEEZE PLAY

MOSCOW'S REFUSAL TO LIFT THE blockade of Berlin leaves the next move up to the western allies, and some observers believe that Britain, France and the United States will resort to an appeal to the United Nations. This conceivably could be done under the clause relating to situations likely to cause a threat to world peace, for Russian provocation in the former Reich capital is rapidly assuming that status. With road and rail transportation between the western zones of Germany and the western sectors of Berlin tied up by Soviet orders, the more than 2,000,000 persons who live in the democracies' portion of the city are dependent on importation of food and fuel by air. Latest reports indicate that Russian authorities may now interfere with this overhead link, further hampering western efforts to feed the population.

Back of this situation lies a number of factors arising from the war. The Soviet zone of Germany extends more than 100 miles to the west of Berlin, leaving the city an island surrounded by Russian-ruled territory. Under the postwar occupation agreement, the U.S.S.R. was left in control of transportation, thus remaining able to cut off road or rail communication on any pretext. There are no written pacts requiring Russia to permit goods to pass through to Berlin, although until recently the question of access had never arisen. Within Berlin, the Soviet controls about one-third of the city with 1,170,000 residents. The British sector contains a German population of 603,000; the American 984,000; and the French, 422,000.

The western sectors consume about 2,000 tons of food a day, which is now being flown into the city by American and British transport planes. In addition, however, some 2,000 tons of coal are required each day, and so far only token shipments have been made. The approach of bad weather may make it impossible to maintain the present schedule of up to 500 flights daily over the three permitted corridors. And the Soviets, doubtless impressed by the capacity of the western allies' air lift, have now declared: "Obviously the time has come to regulate the problem of air corridors." The cost of these airborne supplies, estimated at \$3-350,000 a month, is a further impediment to continuation.

The democracies have been adamant in their determination not to leave Berlin. The loss of prestige, for one thing, would seriously imperil further plans for western Europe and give Communism an encouragement in countries where of late it has suffered reverses. At the same time, it is well within the power of the Russians to exert pressure upon the Berlin population until Britain, France and the United States would be forced to compromise and permit the Soviet certain concessions in return for supplies. Already the city's industrial output has been drastically reduced. Half the western sectors' electric power originated in the Russian area, and has been cut off. The eventual approach of winter could bring the situation to a crisis, and although it is doubtful whether the Kremlin would risk an open conflict at this time, it appears prepared to go to the very brink to win its objective. Where that brink lies is uncertain. But today's dispatch of 60 American B-29 bombers to Britain for "temporary duty" may help to determine it.

COMPETITION IS KEENER

DURING THE WAR YEARS, WHEN jobs clamored for men in this community, one of the difficulties of production arose from a high labor turnover and an inability to secure enough steady and trained men for the various branches of industry and business which needed employees. To the credit of Canada, the majority of those who sought jobs were efficient enough to meet the challenge of high production required by the national effort. A minority, however, were taken onto payrolls because no better material was available. When opportunities for replacements occurred or when workers tired of their particular field of activity personnel changes were made. The less efficient were dropped for the better qualified, and the "floater" drifted from one plant to another.

Such conditions did not operate for stability. Now, however, the situation has changed to a point where greater selection is afforded the employer in choosing employees. Men are being engaged with a view to continued association with firms and plants. The less competent and the indifferent are finding it more difficult to secure positions. Trained men and steady workers are coming back into their own.

The obvious outcome of this leveling-off is that standards will be restored. A man who owns a hammer and a saw, for instance, will have to prove his competence with them and with other tools before he can claim recognition as a carpenter. No one wishes to see a depressed labor market; the highest possible employment will continue as the national goal. But,

on the other hand, it is becoming increasingly apparent that emergency conditions are receding and that those who want work in specific lines should lose no opportunity to improve their abilities to hold the jobs they desire. Statistics show that the manpower barrel is no longer as low as it was two or three years ago.

DANGEROUS BOOMERANG

WHAT APPEAL THE NEW PRO-JEWISH campaign—which seeks to establish a boycott against British goods—will have on the people of the United States in general can only be guessed. This attack, launched in New York by forces which seek to prevent dealers and consumers from purchasing commodities made in Britain in an effort to coerce Whitehall into changing its foreign policy in relation to Palestine, is a shocking contradiction of traditional relationships between the two nations. It is the more remarkable at this time when the United States, accustoming itself to its new role of world leadership, is seeking reliable friends, not striving to alienate old ones.

Whether this attempted blow at the pocketbook of a sorely-pressed international colleague will be effective or not remains to be seen. At all events, it appears shortsighted. It is similar to the approach brought to the Holy Land problem by the American League for a Free Palestine Inc., which ran seditious advertisements in our neighbor's publications against Britain's policy prior to U.N. adoption of the partition plan. The supporters of that movement and Anglophobes generally will probably find some satisfaction in the campaign. But in the broader field of American foreign policy it surely means little.

An analysis of the underlying objectives of the "Marshall Plan," which seeks to aid the re-establishment of European nations through economic assistance, would seem to provide an effective answer to all critics of Great Britain. What European rehabilitation scheme could operate to the advantage of the United States, for example, if Britain were subject to enfeebling financial attack? The answer to this question requires an understanding of concerted western action in the diplomatic war with Russia—a war in which the United States would be placed in a more precarious position if the strength of her English-speaking allies were reduced. And in the still narrower sphere of anti-Semitism, what does it mean? Surely it is an invitation to those with mild reservations against the Jews to intensify their feelings. Here is a boomerang from which the proponents of the campaign might well suffer.

It will be admitted that the policy may win consideration in an election year in the United States—particularly in an election in which the Arab vote does not count. But can any transitory gains that are made by it for a specific faction be weighed against the more abiding harm it may inflict on a nation whose position on the Palestine issue is not one to command unreserved worldwide acclaim?

GENERAL OF THE ARMIES

THE DEATH OF GENERAL JOHN J. Pershing at the age of 87 has translated to the realm of history a man whose name was a household word when he commanded the United States Forces in Europe during the First Great War. Although the exploits of the American Expeditionary Force of 1917-18 have been overshadowed for the present generation by the deeds of still greater armies under General Marshall and the wider, international authority of General Eisenhower, Pershing's place in the pages of history is secure.

Quite apart from his personal achievements in the field, he was the only United States military commander other than Washington to receive the supreme title of "General of the Armies." Not even General Eisenhower attained that rank. Although he took no active part in World War II, General Pershing received each fortnight from General Marshall a full report on the course of the conflict. And contemplating the prominence of the American portion of the Allied effort, he may well have recalled with retrospective humor the struggle he had in 1917 to ensure that the United States forces fought as a national unit and not merely as reinforcements for the British and French armies. Pershing saw his country emerge from continental isolation to world leadership, and he played his worthy part in her development.

YOUNG VICTORIA PLAYS BALL

CITIZENS OF THIS COMMUNITY WILL have an opportunity tomorrow to assess the progress made by the Victoria Minor Baseball Association in developing both sportsmanship and ability among that section of our youth attracted to baseball. In addition to providing good entertainment and a high standard of competition, moreover, the "tripleheader" arranged for the Athletic Park will also illustrate the manner in which the organizers of the association, strongly supported by local businessmen and assisted by the city parks department, have been able to furnish this healthy outlet for young energies along lines calculated to develop excellent character values and a fine sense of team spirit. Both for those who are interested in baseball and for others whose concern rests on the broader basis of youth activity, the events should be entertaining and informative. As a means of raising funds for a worthwhile objective, the program deserves generous patronage.

Man needs few words to tell what he knows, but he uses many words to explain or conceal his ignorance.

China's Sorrow

CHINA NEWS BULLETIN

TORRENTIAL RAIN, rising waters, and seasonal typhoon are once more taking their heavy toll of men, property and crops in several parts of China, according to recent reports. In Hunan, 11 counties around the Tungting Lake have been inundated. Rice-producing land flooded is estimated at 1,800 square kilometres, affecting the livelihood of more than 3,000,000 people. Although flood has for centuries done great harm in China, the government has nevertheless achieved considerable progress in curbing this threat.

The most important water conservation project undertaken in China since V-J Day is the closing of the Yellow River breach at Huayuankou in Honan. The project involved more than 27,000 workers and the use of 3,704,653 cubic meters of earth and stone.

AFTER FLOODING the fertile Honan-Anhui-Kiangsu plain for nearly nine years, the Yellow River was finally pushed back to its pre-1938 course via the northern Shantung flatland to the Gulf of Chihli. The breach of the river dyke at Huayuankou in eastern Honan was closed on March 14, 1947, eight years and nine months after its collapse in June, 1938, as a result of an engagement fought in that vicinity between the Chinese and Japanese forces.

The sealing of the Yellow River prevented the further inundation of nearly 2,800 square kilometers of fertile farm land in eastern Honan, northern Anhwei, and northern Kiangsu, one of China's most important wheat belts. It freed some 6,100,000 Chinese farmers from the scourge of flood and destruction. It enabled the return of some 1,000,000 displaced persons to their homes which for years were covered by the waters of the Yellow River. It saved the Hwai River, the northern Kiangsu section of the Grand Canal and even the mighty Yangtze from the disastrous effect of accumulating Yellow River silt.

THE HUGE PROJECT, undertaken jointly by the Chinese National Water Conservancy Commission, UNRRA, CNRRA, and the Honan Provincial Government, started on March 1, 1946, and cost the Chinese National Treasury some 650 billion Chinese dollars, not counting contributions made by the local Honan people and material and equipment supplied by the UNRRA. Twenty American experts helped in the direction of the work. For a year and 14 days, thousands upon thousands of Chinese farmers fought the turbulent stream with both time-honored Chinese methods and new scientific American technique to return it to its old course, and won.

THE HUAYUANKOU BREACH measured about 12 kilometers wide when the work started. Six main barriers or dams were erected to stem the rushing current, while the western section of the dyke was being extended to meet the eastern section. The barriers were completed in June, 1946, only to be swept away by the summer flood in August. Failure stalked the second attempt, making six months' hard work and the expenditure of 28 billion Chinese dollars a total loss.

The project was started all over again, on a modified pattern, in the following winter when water was low. Again, there was no success. Finally, the foreign experts discarded orthodox western methods and adopted the old Chinese way of holding back the water by blocking it. Where the new dyke had not been washed away, rocks and stones were heaped up, leaving a reduced gap to be sealed later. At the same time, methods of building the dams were also revised to meet the peculiar Yellow River current.

WHEN ALL THAT REMAINED to be done was the sealing of the gap in February, 1947, more than 27,000 workers were mobilized. Work was rushed day and night for a whole month. Wires were strung up to provide a suspension bridge for workers. A wooden bridge was built to facilitate transportation of material. The sealing was done with massive piles of stones in huge willow baskets, tied together with ropes and wires before they were dropped into the river. Huge iron cages, imported from the United States and filled with rocks and stones, were then lowered into the gap.

The breach was reduced to ten feet on March 12 and completely closed on the afternoon of March 14.

THE CLOSING of the Yellow River dyke breach would have been completed earlier had not the Chinese Communists injected into this purely technical water conservation project military and political implications. The Communists, who had as one of their main bases the Hopei-Shantung plain through which the Yellow River's pre-1938 course flowed, did not want the river to come back for military reasons.

SEEING THAT THE GOVERNMENT was determined to return the river to its old channel, freeing thereby several million people from the menace of flood and destruction, the Communists resorted to force to stop the project. In the winter of 1946-47, installations north of Huayuankou were destroyed by Communist raiders while material and equipment were repeatedly plundered and workers killed or kidnapped by Communist armed groups. Despite Communist threats and obstructions, however, the Honan farmers collaborated heartily in putting the river back to its old course.

The United Nations doesn't amount to very much . . . and the world is racing toward a third world war.—Eamon de Valera, former Premier of Eire.

'Hi-Ho, Hi-Ho, It's Back To Work We Go!'

How One School Met A Problem

From London Public Opinion

SUCCESSFUL efforts to combat juvenile delinquency were described recently by Mr. Thomas Stewart, head master of Abbot's School, Glasgow, at a conference on training for citizenship held by primary school teachers, says the Glasgow Herald.

FAMILY IN EACH ROOM

Explaining that his school was situated on the fringe of the Gorbals district in Glasgow, he said one area consisted of tenements where the individual houses had six or seven rooms each occupied by a single family.

Overcrowding was appalling, as many as 10 people sometimes occupying a single room. Many of the houses were condemned, and most of them were infested with rats.

Because there was a high incidence of delinquency steps were taken in 1945 to improve matters. These included the appointment of a welfare officer and a clerkess to relieve the head master of

some of his duties. Efforts were made to inculcate into the pupils a spirit of pride in their school and to encourage them to employ their minds and bodies in healthy pursuits and activities.

In the classroom and playground he gave the pupils quiet talks on the stupidity of playing truant, dishonesty, and the malicious destruction of property. Sermonising was avoided.

SCHOOL BADGE

Among other things they introduced a school badge as a reward granted only to those entitled to wear it, church services, a course in civics, a text-book on good manners, a parents' day, and the private interviewing of parents and delinquent pupils.

The welfare officer made herself responsible for out-of-door activities, which included the organizations, visits to places of interest, and a holiday camp. She was the liaison officer between teachers and parents.

At first the parents were in-

clined to be rather suspicious and to regard her as "just another official," but gradually friendly relationships were established.

Giving the results of the experiment, Mr. Stewart said that cases of delinquency had decreased as follows: 1944, 97; 1945, 62; 1946, 31; and 1947, 23. Truancy was now almost unknown, and attendances had increased by 7.5 per cent.

Many of the improvements were intangible. There was a better atmosphere and tone in the school.

BEHAVIOR IMPROVED

There were also improvements in the behavior of the children; in the spirit of co-operation between parents, teachers, and children; in the attitude of the children to the preservation, tidiness, and appearance of the school buildings, and in the outlook on the part of the children to cleanliness generally. The welfare officer was now regarded as a vital link between home and school.

To Tell The American Story

By PETER EDSON from Washington

THIS MONTH the United States State Department's Information and Education Program for foreign countries begins tripling operations under Assistant Secretary of State George V. Allen. For Congress has stepped up the spending money from the \$10,000,000 of last year to \$28,000,000 for next.

What this means is more American libraries and cultural centres operating abroad, exchange of more students and learned men, more U.S. technical experts to foreign governments, more American documentary films about the United States for showing to foreign audiences, and last but not least, more "Voices of America" programs beamed in foreign languages to countries where it is important that the American story be told straight.

BETTER RECEPTION

Of the \$28,000,000 new money which Congress is putting into the information and education program, roughly \$7,000,000 will go to the Voice. Four and a half million more will be spent on construction of new relay stations abroad, so that the programs will have better reception in foreign countries.

Another \$4,500,000 will go for the State Department's daily wireless bulletin—some 6,000 words of condensed news sent to U.S. diplomatic and consular offices all over the world.

Gone Far Enough

Montreal Star

From what is to be gathered from the newspapers there may soon be bouts between professional women wrestlers in Verdun and we are much perturbed by the news.

Man's last recourse, to outrun an irate spouse—or a too ardent nymph—vanished when girls learned to do 100 in 10 flat, to give only one instance.

Wrestling is the ultimate threat and we hope Verdun will stop it. Let women go on rocking the cradle and ruling the world but must they rock the old man as well? A woman who is "uncertain, coy and hard to please" will be much more of a menace having a mastery of the toe-hold. This emancipation of women business has gone far enough.

arrange for translation of important American books into Arabic, Chinese, French, Greek, Turkish, Polish and other languages.

Arrangements are being made to send over 150 U.S. engineers and scientists to foreign countries. They will help solve economic, public health, labor, safety, farm and other problems. These projects are selected from foreign government applications by Interdepartmental Committee on Scientific and Cultural Co-operation, representing 15 U.S. agencies. Aid is also to be given to private agencies interested in all these fields.

Administration of the Fulbright Act also comes under O.E.C. By this law American scholars may study or teach abroad on grants of money coming from the sale of U.S. war surpluses in foreign countries. China, Burma, Greece and the Philippines have already signed agreements for this exchange, and a dozen more countries are negotiating. In the next 20 years, it is anticipated that some \$250,000,000 will be spent on Fulbright fellowships.

They Always Are

Exchange

Apparently the Saskatchewan C.C.F., which came to power in the form of a powerful and successful protest against the Gardiner Liberal machine, is more interested in becoming a labor party than it is in remaining an agrarian party.

We do not propose to offer Mr. Douglas any advice. He might go to the length of listening to it, thereby strengthening his hold on Saskatchewan. On the other hand, he may be in the hands of the national party strategists who are out to capture the industrial vote in Ontario. He may therefore prefer the role of the loyal stooge, letting the farmers go hang. The farmers, however, will in due course be heard from. They always are.

Global Survey

By DeWITT MACKENZIE
Associated Press News Analyst

IT LOOKS AS though world opinion may have to be called upon to settle the struggle between Red Russia and the western democracies over Berlin, provided the veto-ridden United Nations is capable of furnishing a sounding board to register the global viewpoint.

Moscow's blunt rejection of the American-British-French demand that she lift her food blockade of Berlin has created one of the most amazing situations ever recorded in the history of civilized man.

In an effort to force a political concession from the democracies, Russia has deliberately set about to reduce the some 2,400,000 inhabitants of western Berlin to hunger and cold and other privations. The idea is so fantastically ruthless as to be almost unbelievable.

PILE UP SUPPLIES

To counter this, Britain and the United States have been flying food, medicines, fuel, into the beleaguered capital. Naturally they haven't been able to meet requirements, but have been piling up enough supplies to provide a barrier against death.

The Bolsheviks, noting this success with concern, yesterday threatened through the official Soviet newspaper Rundschau in Berlin to interfere with the American-British air operations. The Russians previously had warned that they would be conducting parachute jumping practice in one of the air corridors. Commenting on this warning, Gen. Lucius Clay, United States commander, remarked:

"They have every right to practice in the corridors, but it will be pretty bad for them if our planes run into them."

EXPECT WORSENING

American quarters in Germany yesterday said they expected the Berlin crisis to worsen in view of the Russian rejection of the demand for a lifting of the blockade.

The Bolsheviks figure that the western Allies are too humanitarian to permit millions to starve or freeze.

The immediate object of the Communists probably is to force the western Allies out of Berlin or compel them to abandon their project of forming a western German government in their three zones of occupation. The ultimate Red objective undoubtedly is to gain control of all Germany and sovietize it.

COUNTING OUT

Australian News Letter
An earnest Sydney golfer went round in 135—one hole 13 over par.
"Give it up or see a doctor," said a friend. "No one could play as badly as that."
"No, don't give up the game," said his doctor. "Just give up counting."

NOT PROVED

Windsor Star
Mrs. Gladys Strum, M.P., wrote a thesis which held that social security can be obtained, only under a C.C.F. government, but all it rated was a "C" and a raised professional eyebrow. We doubt, though, that this has convinced her you can't create facts by the simple expedient of making assertions.

SOME RESULTS

Winnipeg Free Press
Last June 7 when the Ontario government lost 13 seats out of 66 seats, the C.C.F. declared this result to be a crushing defeat for the Conservatives and an historic triumph for the C.C.F. Now the Saskatchewan government has lost 16 seats (not 13 seats) out of 47 (not 66) and again the C.C.F. tom-toms resound.

People cannot be fooled in this way. What happened in Saskatchewan is that the C.C.F. received a sound beating.

KEEPING IN LINE

Ottawa Journal
Toronto's Communist weekly, the Tribune, apparently is having circulation trouble—subscribers, we gather, are showing reluctance to renew their subscriptions, an 2,000 are expiring between now and October.
In an effort to meet this situation the Tribune has set up a circulation committee under the chairmanship of no other than Tim Buck, leader of Canadian Communists.

Presumably extreme cases get the personal attention of Mr. Buck—we are looking forward to a visit from him when our subscription to the Tribune expires.

Military Honors At Last Rites For Maj. Diespecker

Burial services with full military honors were conducted Thursday for Maj. R. E. A. Diespecker, 56, veteran of two wars, who died Tuesday.

Dean Spencer H. Elliott officiated at ceremonies in Christ Church Cathedral.

The military escort, in charge of Sgt. D. F. Thomas, then proceeded to Royal Oak Burial Park for interment. A salute was fired by a firing party at the cemetery and a trumpeter played "The Last Post."

Honorary pallbearers were Brig. M. F. Preston, Col. B. R. Ker, Col. Vincent McKenna, Lt. Col. M. A. Kent, Maj. T. M. Ross and Maj. Roy Croft.

Members of the bearer party, in charge of R.S.M. J. C. Stevens, were Staff Sgt. R. H. Holbeck and Sgts. R. W. Coulson, C. A. Cornfield, Thomas Hall, D. S. Hardisty, R. R. Bannister and T. W. Healy. All are from the Royal Canadian School of Artillery (Coast and Anti-Aircraft) at Work Point Barracks.

Seeks To Boost Exports

MONTREAL (CP)—John Marsh of Montreal, former Department of Munitions and Supply officials, has been appointed general manager and secretary of the Canadian Exporters' Association. It was announced here. He was special assistant to the deputy minister during 1943-45.

SAANICH PLAYGROUNDS OPENED—Children's summertime activities in Saanich are underway following the opening, earlier this week, of 10 supervised playgrounds at various municipal parks. General supervisor of the playgrounds, which will operate until Aug. 20, is H. R. Dawson, right, shown with Education Minister W. T. Straith at the opening Wednesday afternoon of the Playfair playground in the Lake Hill district.—Photo by Leonard Holmes.

British Commons Votes To Limit Death Penalty In Cases Of Murder

LONDON (CP)—A bill to abolish the death penalty for certain types of murder will go to the House of Lords following passage in the House of Commons Thursday night.

The bill, a government compromise, will go to an upper

chamber which recently turned down the original bill to abolish the death penalty for a trial period of five years.

The measure passed by Commons by a vote of 307 to 209, but against bitter opposition led by Winston Churchill.

The death penalty remains for a murderer who commits the crime "with express malice," a point to be determined by jury.

FOR POISONING CASES

The bill also provides for execution in cases of murder resulting from such crimes as robbery, rape, resistance to arrest, "systematic poisoning" and escape from prison.

"Mercy killings" or murders committed in the heat of passion would not call for the death penalty under the bill.

The opposition objected to the separate categories and wanted to continue the present practice of retaining the death penalty and relieving murderers in suitable cases by the King's prerogative.

Churchill assailed the bill as a "mere jumble" and said "fortunately we still have the second chamber."

"The House of Lords has to consider the merits of the case—not only the abstract principles but in relation to the crime wave the Home Minister has reminded the Commons was so violent at the present," Churchill said.

"A man might deliberately kill his wife with a chopper without being sentenced to death, the government saying to all and sundry... 'if you should decide to kill your wife because after a cold calculated and deliberate consideration you come to the conclusion that you live more agreeably alone or with another woman or benefit under the terms of her will, you have a variety of methods at your disposal without risking your neck if you are found guilty.'"

I.W.A. Goes Ahead With Strike Ballot

VANCOUVER (CP)—International Woodworkers of America officials will distribute strike ballots to 27,000 members despite Labor Minister Gordon Wismer's warning the action is illegal, it was reported here.

Mr. Wismer said Wednesday such a vote would be in direct contravention of the British Columbia labor code because there had been no government conciliation in the wage dispute.

Negotiations between union and lumber operators remain deadlocked over wages and a closed shop demand.

"WE RESERVE THE RIGHT TO LIMIT QUANTITIES"

An Important Announcement from the B.C. Hospital Insurance Service To All Residents of British Columbia

It is the aim of the Provincial Government, through the B.C. Hospital Insurance Service, to provide British Columbia citizens with necessary general hospital care at premium rates which everybody will be able to afford. The Plan also provides for the establishment of hospitals on a sound financial basis and is the first step towards creating better health facilities for British Columbia. The Hospital Insurance Act states that all residents of British Columbia will participate in the Government-sponsored plan.

TIME OF REGISTRATION

Registration is compulsory and will begin early in August.

PREMIUMS

\$15.00 per annum for single persons 16 years of age and over who are supporting themselves financially.

\$24.00 per annum for Head of a family with one dependent.

\$30.00 per annum for Head of a family with more than one dependent.

Dependents—A wife, and children under 16 years of age or other members of a family group living with or apart from the Head of a family for whom he is financially responsible. Further details are provided with registration forms.

BENEFITS

Public Ward Accommodation, Meals and Special Diet, Ward Nursing Care, Operating Room Facilities, Surgical Dressings and Casts, Available X-ray Service, Available Laboratory Service, Available Physio-Therapy, Approved Drugs.

Hospital Maternity Care without a waiting period.

No restrictions on the number of times or extent of time that may be spent in hospital, so long as hospitalization is necessary.

Hospital Benefits will be available in the case of illness pre-existing the date when the Plan comes into effect.

Payment to Hospitals will be based on Hospital costs of public ward accommodation and services.

REGISTRATION AND PREMIUM PAYMENTS

Registration and payment of premiums may be carried out:

- by individuals,
- as a group,
- with the co-operation of Management.

Arrangements will be made for registration and payment of premiums under group plans, sponsored by either employees themselves or with the assistance of Management.

METHOD OF PAYMENTS

Payment may be made by one of the following ways:

- Payment in full; (b) equal monthly installments between October and March for coverage for the full year 1949. This is intended to help those persons who cannot pay the premiums at one time.

EXEMPTIONS

All Insurance Companies, Associations and Societies providing Hospital Insurance coverage in British Columbia and persons subscribing to such plans are advised that under Section 8 subsection 1 of the Hospital Insurance Act, persons may be exempt from payment of premiums by the Commissioner, only where benefits to beneficiaries and payments to hospitals are at least equivalent to those provided under the Act.

Unless specifically exempted by the Commissioner, persons subscribing to other Hospital Insurance Plans will still be required to pay premiums under the Government Plan. To avoid such a possibility subscribers to other plans should obtain assurance from their particular Company or Association that the conditions providing for exemptions under the Government Plan will be met. Insurance Companies, Associations and Societies intending to meet the above conditions are invited to submit all necessary details to the Commissioner, Hospital Insurance Service, Parliament Buildings, Victoria. Exemptions other than that outlined above are as follows:

- Residents of an area where provision of general hospital service is not practicable.
- Adherents or members in good standing of the Christian Science Church.

J. M. HERSHEY, M.D.,
Commissioner.

Most Realistic Fight In Movie At Atlas

The fight scenes in "Albuquerque," Paramount's outdoor action film now at the Atlas Theatre, were even more difficult for protagonists Randolph Scott and Lora Chaney than fans might expect. The two stars in private life are the best of friends and it took quite a bit of doing to avoid injuring each other, especially since one of the fist fights is said to be the most realistic ever filmed.

The men share stellar billing in the cinecolor production with Barbara Britton and George "Gabby" Hayes. Russell Hayden, Catherine Craig and little Carolyn Grimes head the supporting cast of "Albuquerque," which was directed by Ray Enright.

CAPITOL THEATRE

Viveca Lindfors, hailed as the toast of the continent, makes her North American film debut under Warner Bros. banner in the exciting romantic drama, "To the Victor," which is currently at the Capitol Theatre. Dennis Morgan plays opposite the beautiful Swedish star in the film.

B.C. Tennis Stars Ousted From Tourney

TACOMA (AP)—Henry Pfister of San Francisco, Oregon state tennis champion, Thursday defeated the number two top-seeded man of the Pacific Northwest tennis tournament here, Jim Brink of Seattle, by 6-4, 5-7, 6-3.

The three remaining Vancouver players were eliminated in other games.

Tom Macdonald of Portland defeated Lawrence Barclay of Vancouver, B.C., 6-2, 9-7; Beverly Baker, Santa Monica, defeated Donald Sparling, Vancouver, B.C., 6-0, 6-1; Gary Peterson, Seattle, defeated George Atkinson, Vancouver, B.C., 6-0, 6-0.

YORK THEATRE

It was D-Day for the O-Girls at M-G-M when three of them landed on the set of "Love Laughs at Andy Hardy," which brings Mickey Rooney and the screen's popular Hardy family back to the York screen in their first postwar adventures.

Casting call for a college sequence with Rooney brought Erin O'Keefe, Sheila O'Malley and Shirley O'Hara on the set all at one time.

P.S.—The film's casting director is named Murphy!

Athans Will Work Dual Role With Olympic Team

Three Victorians Taking Part In Motor Boat Race

Ninety-seven cruisers are taking part in the Tacoma-Vancouver "predicted-log" race of the International Power Boat Association which started Friday and ends today at the Burrard Yacht Club, Vancouver.

Among the Victorians taking part in the race is George Patton with his 48-foot yacht Alleen. The veteran skipper missed winning the classic last year by only a few minutes. He was the only entry from Victoria.

Others taking part in the race are: H. L. Sangster, with his twin-screw diesel yacht, the Twin Island, and H. W. Miller, with his yacht, the Dawn.

The course from Tacoma is via East Passage, Admiralty Inlet, Strait of Juan de Fuca (west of Smith Island) Middle Channel, San Juan Channel, west of Flatop Island and east of Johns Island, Swanson Channel, Trincome Channel, Porlier Pass, Georgia Strait and Burrard Inlet.

Australians Win Major Aggregates

BISLEY CAMP, Eng. (CP)—With Australian marksmen scoring many successes here this year and the Canadians so far without an important trophy to their credit, a little investigation disclosed the probable reason: It's the heavier Australian rifle.

The heavy-barrelled Australian rifle was believed to make for greater accuracy, especially at the longer ranges, than the lighter-barrelled Marx IV which is being used by Canadians for the first time in this year's big empire shoot of the National Rifle Association.

The Canadian rifle has required many adjustments as the shooting progressed. The Aussies are believed certain to capture both the grand aggregate and the all-comers aggregate. Results won't be official until probably Saturday, but unofficial compilations show R. R. Parker of Australia leading the grand aggregate with 575 of a possible 605. H. H. Natt of Australia is leading the all-comers aggregate with 310 of 325.

WINS SHOOTOFF
Parker of Australia yesterday won the tie-shoot for the bronze medal, as winner of the first stage of the King's Prize. He tied at 103 of 105 with Capt. R. A. Barzey of Wales and the veteran C. A. Vernon of England in the opener Wednesday and defeated them both in the shoot-off.

Down for decision today was the Mackinnon Challenge Cup, Canada entering one of the 12-man teams. This match, won by Canada eight times since 1891, demanded 10 shots per man at the 900-yard and 1,000-yard targets.

HALIFAX (CP)—Dr. George Athans of Vancouver, a grizzled athletic veteran of 27, will carry his light black bag practically out on the diving board this trip.

Dr. Athans, the Canadian Olympic team's only diver, is doubling as medical officer to the team. He's hoping his duties in that capacity will be light.

The young doc began international competition 10 years ago when he competed in the British Empire Games in Australia. At 17, he topped third place in his division.

Since then he has been Canadian diving champ annually from 1944 to 1948. A medium-sized well-knit type, he's the old man of the Neptunes. Average age of the 10-person (six men and four girls) team is 17.

As a diver, his work is divided into two classes—springboard and high board. He will do five required dives and five of his own choosing from the springboard and four of each in the stratosphere department.

"Diving is a funny sport because so many things can go wrong. In running or swimming all you do is go fast, but the slightest jerk can put you in bad on a diving board," he said.

He feels the team might be handicapped by its small numbers. "These fellows and girls will have to be in several events apiece, and that's bound to tire them. But don't get the idea I'm worried about them — we'll do Canada proud."

Coach of the team is Archie McKinnon, physical education director for Victoria Y.M.C.A., and he's an old hand at the business himself. He coached Canada's track team in the 1936 Olympics at Berlin.

ROYAL THEATRE
So engaging is Miss Allyson's screen personality that complacent audiences may overlook the fact that it often takes considerable acting to be "natural." They would be advised to consider the range of this actress' work in recent pictures. It stretches from the neurotic daughter of "The Secret Heart" through her romantic portrayal in "High Barbaree" to her song-and-dance role in "Good News" and, most recently, to her high comedy part in "The Bride Goes Wild," in which she co-stars with Van Johnson on the Royal screen.

OAK BAY THEATRE
The story of the conflict between a boss from the political underworld and a beautiful, ambitious Congresswoman whose heart and career are both in his power, "Mr. Ace" is now at the Oak Bay Theatre through United Artists release.

George Raft and Sylvia Sydney star in the roles of Eddie Ace, the political boss, and Congresswoman Margaret Chase. Jerome Cowan and Sara Haden respectively play her campaign manager and private secretary.

Lady From Shanghai Compelling Drama

A superb piece of film-making, combining the talents of beautiful Rita Hayworth and Orson Welles, has been accomplished in Columbia's "The Lady From Shanghai," which opened today at the Odeon Theatre. Loaded with rich characterizations, exciting situations and utilizing the colorful backgrounds of New York, San Francisco and Acapulco, "The Lady From Shanghai" results in a compelling film.

This is the fascinating story of an exciting woman of the world who pits her charms against fate—in the thrilling screenplay created by Welles. Welles, as a lusty, brawling Irish sailor, succumbs to the Hayworth beauty. Everett Sloane, playing Rita's spidery husband, and Glenn Anders, as a half-mad business

partner of Sloane's, round out Miss Hayworth's trio of admirers.

Los Angeles Wedding Trip, Vancouver Home For Couple

Vancouver will be the future home of Mr. and Mrs. Frederick John Field when they return from their four-week honeymoon trip by motor to Los Angeles.

The bride, formerly Sylvia Mary Grist, daughter of J. W. Grist, 2399 Dalhousie Avenue, Oak Bay, and the late Mrs. Grist, and groom, son of the late Mr. and Mrs. A. E. Field, Vancouver, exchanged wedding vows Thursday evening before Rev. Hugh J. Campbell.

Friends and relatives attended the traditional ceremony at Oak

Bay United Church decked with masses of white lilies, pink roses and blue delphiniums, with colonial bouquets marking guest pews, for the occasion.

Heavy oyster satin fashioned the off-shoulder gown, styled on period lines with slim, fitted bodices, set with tiny self-covered buttons at the back, full, bouffant skirt, and ruffles of lace trimming the long sleeves, pointed over the wrists, worn by the bride. Her fingertip veil was held by bands of white carnations in her headdress, and pink roses, and mauve sweet peas were showered in her bouquet. Mr. Grist gave his daughter in marriage.

The bride chose her groom's sister, Miss Alice Field, Vancouver, as her only attendant. Her shower bouquet of yellow carnations and blue cornflowers was in theme with her deep-waisted floor-length gown in buttercup yellow, and halo hat to match trimmed in robin's egg blue blossoms.

Stephen Field was best man for his brother, while another brother, Arthur, with Frank Burton, ushered guests to their seats.

Organist Francis Stevenson accompanied Arthur Stringer as he sang "Because" while the register was being signed.

A reception was held at the home of the bride, Mrs. Percy Gilson and Mrs. Arthur Field received guests with the couple who stood beneath a bridal arch, flanked by tall baskets of delphiniums and roses. A spray of orange blossoms topped the three-tier wedding cake, centring the bride's table. Toast to the couple was given by Rev. W. W. McPherson.

For her traveling costume the bride wore a dove-grey wool boucle suit, with accessories to match and corsage bouquet of gardenias and rose sweet peas.

Lakeside Party Held At Langford

"Langford Lodge," the lakeside home of Mrs. M. Powers and Miss Powers, was the scene of the annual garden party of St. Matthew's Ladies' Guild, Langford, on Wednesday afternoon.

Tea was served on the veranda overlooking the lake with Mrs. V. Franklin as convener, assisted by Mrs. K. Clement, Mrs. W. Tingle and Misses Nevada and Florence Scott. Tea tickets were sold by Mrs. A. Cooper and Mrs. D. B. F. Bullen.

Holders of stalls were as follows: Handwork, Mesdames G. MacGregor and H. M. McKenzie; delicatessen, Mrs. P. N. Welch; jewelry and miscellaneous, Mrs. M. Stewart; ice cream, Mrs. A. Ferris; teacup reading, Mrs. J. Thomson; handkerchief girl, Miss Rosamary Element.

Darts were in charge of Miss Maxine Fraser while Mrs. A. F. Bayles took charge of a contest table.

The president, Mrs. H. A. Hincks, welcomed visitors and presented corsage bouquets to Mrs. and Miss Powers as a token of thanks from guild members.

Mrs. Katherine Wainwright Austin is the 1948 Color Girl who reigned over the June Week ceremonies at the U.S. Naval Academy, Annapolis, Md. She is the widow of a Marine Corps aviator killed on Okinawa, and a graduating midshipman's sister.

Personal Notes

Mrs. R. McEwan is a visitor from Winnipeg, the guest of Mrs. M. Hunter, Leigh Road, Langford Lake.

Miss G. H. Page is a Calgary visitor vacationing in the city, the guest of Mr. and Mrs. W. H. Blair, Burnside Road.

Mrs. H. R. Beaven returned by plane Thursday to her home on Beach Drive, from Vancouver, where she spent several days as guest of Mrs. Godfrey Isaacs.

Mr. and Mrs. S. F. Boomer of Los Angeles have spent the past week visiting friends in the city. They left for Vancouver Thursday evening from where they will return to their southern California home by plane. Mrs. Boomer is the former Miss Josephine Hale of Victoria and Mr. Boomer is Lloyd's Reg'd. surveyor at Los Angeles. During the war years he was stationed in Victoria and made many friends here.

The following guests from Victoria attended the marriage of Miss Viola Birch Anderson to Flt.-Sgt. Spencer Alexander Lerhe, which took place in Vancouver last week-end: Mrs. M. Anderson and Miss Patricia Helen Anderson, mother and sister of the bride, 2314 Shelbourne Street; Mr. and Mrs. W. Anderson, Mr. and Mrs. D. Wilson, Mr. and Mrs. David Meharey, Mrs. A. Ruffe and Miss Eleanor Ruffe, Mrs. E. Dunn and Mr. Robert Dunn, Mr. and Mrs. Leo Anderson of Courtenay, Mr. R. J. Downey, North Wellington, and Mr. Mickey Maguire, Calgary, were also among the guests.

Mr. and Mrs. Jack Keating, 36 Wellington Avenue, have as their guests, their niece, Mrs. W. Code and her daughter, Miss Lorraine Code of Saskatoon. The visitors will vacation in Victoria for a month.

Miss Beebe Denz, who came from Seattle to attend graduation ceremonies at H.M.C.S. Royal Roads, last Wednesday, has been the guest of Miss Pat Greer, at the home of her parents, Col. and Mrs. H. C. Greer, 1394 Esquimalt Road.

Mr. and Mrs. John Kumbrough, Miss Alice Brosley and Mr. George Hays, of Tennessee, are visiting in the city for several days, guests at the Clive Apartment Hotel. Also registered at the hotel are Mr. and Mrs. H. Richardson, Bakerfield, Calif.

Mrs. A. Beere with her family, Mr. and Mrs. Albert Beere, and their children, Myrne and Darryl; Mr. and Mrs. Harold Turner and children, Maury and Barry, will go to Duncan Saturday to attend the marriage of Mrs. Beere's youngest son, Mr. Paul Meredith Beere, to Miss Catherine Farquhar, which takes place at Duncan United Church.

The Colwood home of Mr. and Mrs. Dennis Sullivan was the scene of a charming ceremony Thursday when marriage vows were exchanged by Miss A. V. Lestranger Burges, youngest daughter of Mr. and Mrs. B. L. Burges, Bourmouth, Eng., and Phillip Harrison, youngest son of the late Mr. and Mrs. Claude Campbell Harrison. Rev. H. A. McLeod, First United Church, officiated. Mr. and Mrs. Harrison will reside at Langford.

Clubwomen's News

Second Picnic — So successful was the first picnic of the Club for Lonely People, held at Mount Douglas, last Saturday, another picnic is planned at Willows Park on July 28. Last Saturday afternoon, games and competitions were enjoyed and refreshments served at long tables under the trees.

Garden Party — The annual garden party sponsored by St. Mary's Guild was held at the home of Misses G. and C. Shaw, Fulford Harbor, South Salt Spring Island. Stall holders were Mrs. A. Heberton and Mrs. J. White, home cooking; Mrs. A. Davis and Mrs. B. Byatt, needlework; Mrs. W. Y. Stewart, fruit and vegetables; Mrs. B. Sylvester, candy. Afternoon tea was convened by Miss Gladys Shaw, assisted by Mrs. F. Jackson, Mrs. H. Price and Miss Cree Shaw. Darts were in charge of William Shaw and contests arranged by Mrs. J. Fossum and Mrs. E. Charlesworth. A sum of \$126.35 was cleared for the funds.

Initiation — Mesdames O. K. Holmes, G. Thomas and M. M. Wilson were initiated at the W.A. Britannia Branch, No. 7, Canadian Legion B.E.S.L., meeting in clubrooms, Tuesday, with president, Mrs. G. Wilson, in the chair. Mrs. D. Wren and Mrs. R. Evans reported 230 sick visits and it was announced that sewing meetings would be discontinued until September. Mrs. G. Ree reported that a zone council garden party will be held at H.M.C. Dockyard, home of Rear-Admiral E. Rollo Malinguy, O.B.E., R.C.N., and Mrs. Mainy, Aug. 5. Mrs. E. Parker will act as social convener until the end of the year, and with Mrs. E. Champion will attend legion funerals. Mesdames E. Watson, D. McCulloch, B. Impey, A. Jones and G. Wilson will provide fresh flowers for the memorial tablet, until September. A picnic is planned for July 30 at Willows Beach. Mrs. G. Wilson, Empire

Life Membership — Miss D. M. Beddis, who is a charter member of Ganges Chapter, I.O.D.E., since 1914, and who has been standard bearer for 25 years, was presented with a life membership by the regent, Mrs. V. C. Best, at a tea held at "The Alders," home of the latter, at Ganges Harbor, Salt Spring Island. The guest of honor was also presented with a corsage bouquet of pink rosebuds and carnations. Afternoon tea was served with Mrs. Bishop Wilson and Mrs. R. T. Britton presiding and with 18 members and friends present. During the afternoon, an oil painting of Ganges Harbor by Lady H. M. Reynolds, Victoria, was shown. The painting has been donated to the chapter. Six books, a gift of the Book of the Month Club, to be presented to the hospital, were also on display.

Bride Wears Traditional Satin, Lace

Pictured in her period gown of gleaming satin enhanced with folds of sheer net veiling, finger-tip length, caught to her head by tiny stiff net petals set with orange blossoms is Mrs. Albert Raymond Moody whose marriage was solemnized July 10 at First United Church. The former Miss Doris Elsie Cawsey and her groom are in California on their wedding trip, and will return here to make their home.—Photo by Campbell Studio.

Victorians Attend Vancouver Wedding

Many guests from Victoria, the home of the bride's family, attended the ceremony July 10 at St. Phillip's Church in Vancouver, uniting in marriage Miss Viola Birch Anderson and Flt.-Sgt. Spencer Alexander Lerhe.

Baskets of Madonna lilies were placed on the altar and profusions of lilies and roses decorated the chancel for the service performed by Rev. H. J. Greig.

Escorted by her uncle, Leo Anderson, Courtenay, B.C., the bride was gown in brocaded satin fashioned with full skirt gathered to a fitted bodice, topped with sheer net yoke. A full-length veil of tulle, held by a coronet of orange blossoms, misted over her gown, and she wore a single strand of pearls. White rosebuds and pink carnations formed her round bouquet.

Violet mauve stocks and petal pink carnations were carried by honor maid, Miss Patricia Helen Anderson who wore a gown of mauve brocaded taffeta. Little Charlotte Anne Cooper, flower girl, wore Nile green organza posed over taffeta, and carried a colonial posy.

Sgt. J. S. Cooper was best man, and ushers were Edward Hope and Julian Julius.

As the couple left the church for the reception in the sergeant's mess, Sea Island, R.C.A.F. friends of the groom formed a guard of honor.

A silver vase of pale pink rosebuds topped the three-tier wedding cake, which was encircled with tulle and rosebuds.

Mothers of the couple, Mrs. M. Anderson, 2314 Shelbourne Street, Victoria, and Mrs. R. Lerhe, Vancouver, received guests with the bridal pair.

Later Flt.-Sgt. and Mrs. Lerhe left for a honeymoon at Parksville, and will return to Vancouver to make their home.

For traveling the bride changed to a crisp white sharkskin suit, with accessories to match, cerise topcoat, and gardenia en corsage.

Art Exhibit From Central Jr. High, Now In Toronto

In a large scale display of school work to be on display at the Canadian National Exhibition in Toronto in September, showing the trends in art now taking place in schools across Canada, an exhibit sent in by Victoria's Central Junior High School will hold a prominent spot.

The local display, assembled by A. Wilfrid Johns, art teacher at Central Junior High, at the request of J. F. K. English, inspector of public schools here, is a representative group, and includes samples of tempera painting, water colors, lino-block prints and mural, all original creative work.

Student artists, members of Grade IX, were Robin Sharpe, Ann Armstrong, Ann Kipling,

David Brown, Olga Leschuk, Marilyn Anderson, Frank Lewis, David Pickering, Ron Fuller and Pat Cornelle.

The work was done during school periods as part of the regular school program.

In reference to the complete exhibition display, Kate Aitken, director of women's activities for the Canadian National Exhibition, says, "We have been delighted with school work submitted this year for exhibition purposes from schools in the west."

"The children's art has shown such an advance in recent years in craftsmanship, design and creative ability that both judges and critics alike have been unanimous in their praise."

The priceless part of any product is the honor and integrity of its maker.

Douglas**Couples Celebrate 50th Wedding Anniversaries**

Mr. and Mrs. George Nunn will be at home to their friends on Sunday afternoon and evening at their home on East Saanich Road, on the occasion of their golden wedding anniversary. They were married in Winnipeg on July 18, 1897, by Rev. J. M. Spence, and started their married life in Nelson, B.C. Later they moved to Vancouver, and for the past seven years have lived near Sidney, V.I. Their daughter, Mrs. B. E. Nickeels lives in Victoria.

Mr. and Mrs. W. H. Beach, 5525 Sumas Street, will celebrate their golden wedding next Sunday, and will be at home to friends from 2.30 until 5.30 and from 7.30 until 10.30 in the evening. They were married in Accrington, Lancashire, England, 38 years ago and went to Australia to live and seven years ago came to Victoria. A daughter, Mrs. E. Day, and Mr. H. Boston, a friend of many years, will assist the honor couple in receiving their guests. Little Sharon Tilley, a great-grandchild, will be at the door.

**Enjoy Longer, Better Sleep
If Eye Shade Blocks Light**

Does your vacation offer you the alluring promise of more sleep than you usually get during the other 50 weeks of the year?

If so, watch out for a sleep thief which is frequently encountered away from home. That is light. As many an unhappy vacation has discovered, light is not always screened out of bedrooms by adequate window drapery or dark shades.

If you don't want to take chances on being awakened at the crack of dawn by a bombard-

ment of light, carry your own sleep shade with you. These so-called sleep shades are domino-like goggles of black cloth which, because they are featherlight, can be slept in comfortably.

Such accessories which guarantee better sleeping while you are on vacation are easy to pack and take up very little space in luggage.

An alternate solution to the problem of blocking out light, of course, is to tie a bandana around your eyes before you go to sleep in a window-shadeless room.

Married In Australia

SYDNEY, Australia (CP) — Helen Watson, Canadian government film officer in Australia, was married today to Herbert Gordon, United States vice-consul at Sydney.

Miss Watson is well-known throughout Canada for her work with the National Film Board and for youth activities in Manitoba. Her home was Brandon, Man.

Saving Pennies—for a vacation? Get a partial permanent. There are hairdressers who give partial-permanents, and charge so much per curl. A few curls put in where they are most needed will see a girl through her vacation without making too heavy inroads into funds set aside for it.

The New
Look—In
The Air,
On The
Ground

Time changes the look of an airplane and women's dresses, but, while the airplane's new look is inspired by the unknown future, the ladies appear to have taken at least one backward glance at old-world charm. The airplane pictured is the Vickers' jet Attacker, which, at 564.6 m.p.h., streaked to a new international 100 kilometers record for Britain. British jet engines are also powering U. S. aircraft.

The gowns pictured are from Britain, too. With bows at the shoulder and hips, the dinner dress is in wine and silver brocade. Encircled with flowers, the white organdie, crinolined gown is for midsummer nights. While Britons may see much of the airplane they will see little of the gowns; women's clothing rations are too small to stretch to special evening wear, which means the gowns will go, for export.

**Unusual Silverware
In Danish Display**

NEW YORK (CP) — Danish architects and sculptors work closely with country's famous silversmiths. The results, on display here, are functional pieces that are simple in design and free of ornamentation.

"Classic," one pattern for spoons, forks and knives, was designed by Ole Hagen, Danish architect. It has long thin handles ending in a flat curved base that tilts up slightly at the tip to emphasize the metal's sheen.

A meat knife has an especially long, pistol-shaped handle and a short blade for better control during cutting.

Herlov, another architect, strives for efficiency as well as attractiveness. The handles of his silver pitchers are wrapped in bamboo for insulation and the spout of his coffee server has been engineered to eliminate dripping. His candle-holders have bowl-shaped stands deep enough to hold water in which fresh flowers can be placed.

The old Danish custom of using special spoons and forks at Christmas is a profitable one for silversmiths. H. Nils' collection of these include several early patterns which combine gold, enamel and silver to add a festive touch to the Yuletide table.

**Encourage Tot
To Groom Self**

Little daughter's first attempts at self-grooming should be encouraged no matter how inept they may seem. The wise mother of a little tot knows that by promoting her good grooming habits now there will be a more solid foundation laid for adult beauty habits later on.

A comb and brush scaled to fit her tiny hands will whet her interest in caring for her own hair. Her hair style should be simple—a Dutch bob, feather cut or pigtails—for easy handling by inexperienced fingers.

Let her try scrubbing her own face with mild soap and water. If she's not thorough enough, you can point out the spots she missed in a mirror. But add a word of praise for the areas scrubbed clean.

A bottle of hand lotion given to a little tyke to use after washing

hands is good inducement to keep dirty fingers clean and skin cream-smooth.

Clothes hooks and rod installed low enough in a closet

for juvenile arms to reach will encourage a clothes-conscious little beauty to hang up her duds—first step in keeping them neat.

860 YATES — "Where Customers Send Their Friends"

The exterior walls of the new Quadra Hardware are attractively finished in the famous B.P. Insul-Bric Siding, which simulates brick and has insulating properties to keep the store cooler in summer and warmer in winter. It saves fuel and lowers the fire insurance rate. Many colors are available. Insul-Bric Siding is designed for re-siding old dwellings as well as new homes. Mr. Smith of the Quadra Hardware chose Jasper blend (dark red) with white mortar line. It was supplied by the Maple Leaf Roofing and Supply Co., care of Evans, Coleman and Johnson Co. Phone B 3105.

Charge Greek Red Leader Made Deal With Yugoslavia

ISTANBUL, Turkey (AP)—A report has reached here, from sources which have proved accurate in the past, that Markos Vafiades, Greek Communist guerrilla leader, promised Marshal Tito of Yugoslavia three Greek areas in payment for help to the Greek rebels. The informants say such a pact was signed five weeks ago.

They say it would explain why Bulgaria suddenly became anxious to resume relations with Greece, and would underline reports that Russia has been increasingly concerned over Tito's ambition to incorporate Greek Macedonia into the Yugoslav federation.

Bulgaria is said to have heard of the scheme which did not mention any concessions to her. Shortly afterwards, Sofia began making overtures toward resumption of normal relations with Greece.

Cut Industrial Power

BERLIN (Reuter) — British authorities in Berlin today ordered a complete stoppage of electricity for industrial purposes in their sector except where permission is obtained from the British Military Government. Any contravention would be punished under military government law.

U.S. Flying 60 Heavy Bombers To Great Britain

LONDON (Reuter)—Sixty heavy bombers have left their bases in the United States and are on the way to British air fields for a short period of temporary duty, the United States embassy announced here today.

"The movement of the planes is part of the normal long-range flight training program which was instituted more than a year ago by the strategic air command," the announcement said.

The bombers, B-29s, are in two groups, each consisting of three squadrons of 10 aircraft. One group will fly via Goose Bay, Labrador, and the other via Bermuda.

(In Berlin Thursday night reliable sources said the Russians were planning to drive the western powers out of the German capital in eight weeks "if certain gaps in the blockade can be effectively closed.")

ALLIES HAVE CHOICE

BERLIN (AP) — Only two courses of action have any hope of breaking the Soviet blockade which is strangling this city and bringing Europe closer to war than at any time since Munich.

The first is the use of western military forces to crash the land blockade.

The second is retaliatory action by the west in other parts of the world which would make it too costly for the Soviet Union to continue its Berlin policy.

This is the common belief of

the Western Allies and the Germans who have seen the Russian action at first hand for three years. They believe further that the Soviet Union has killed international diplomacy in the accepted sense.

Falling to achieve what she wanted in Germany at the conference table, Russia has abandoned mediation for direct pressure propaganda.

In the simplest terms 2,000,000 Germans and 25,000 Western Allies in Berlin are being held as pawns by Russia to achieve her aims in Germany.

Want Germany On Soviet Pattern

These aims are principally two—establishment of a strong German government on the Soviet model dominated by the Communist, and a Soviet voice in the economic life of Germany, principally the industrial Ruhr.

The Western Allies cannot continue the air lift to Berlin forever.

At best it can give enough warmth for 2,000,000 Germans to live a dismal cave-like existence in ruins. In the long run effective measures must be taken to smash the blockade.

The most drastic would be to send an armored column up the international highway leading to the city. This would leave it up

to the Soviet Union whether it wants war or peace.

There is every indication the Russians would not fight. In each step they have taken they left themselves a way out.

In another move today to make things difficult for the air lift, the Russians warned the United States and Britain that Soviet fighter planes will be training in air corridors down which the Western Allies are bringing supplies to blockaded Berlin.

Both U.S. and British officers described this as "apparent harassing tactics intended to make things awkward for us."

They emphasized that the Russian action was not affecting the operation of the air lift.

Cairo Crowds Menace Jews After City Bombed; Tel Aviv Hit Again

CAIRO (AP) — The Israeli high command announced in Tel Aviv its planes had attacked Egypt for the second time and dropped seven tons of bombs today on Tel el Arish airfield near the Palestine border. The announcement said the raid caused heavy damage.

At the same time, it announced a new Egyptian air attack on the Tel Aviv area today. The Jews struck from the air at Cairo Thursday night in the first attack on the Egyptians' capital of the Palestine war. Details of the attack, which followed an Egyptian air raid on Tel Aviv, were not announced.

Moslem Brotherhood demonstrations menaced Jewish shops in Cairo in an angry protest against the attack on the capital. The crowd of 1,000 gathered in front of the Al-Azhar Mosque and attempted to march down Al-Azhar street in the commercial district.

\$69,000 Permit For Arena Wiring

A permit for \$69,000 worth of wiring in the Memorial Arena was the largest issued today by the city building inspector's office. Contractor is J. H. McRae Co. Ltd., Vancouver.

Permits were also issued for construction of an \$8,000 single-family dwelling at 3156 Quadra Street for Mr. and Mrs. B. Laird, 727 Fisgard Street; a \$7,500 single-family dwelling at 1137 Finlayson Street for Mr. and Mrs. J. W. Dunkeld, 3156 Carrol Street.

A permit for \$8,000 alterations to the 625 Fort Street office and store building owned by Norman Yarrow has also been issued.

Steel Wages Raised; Prices To Follow

PITTSBURGH (AP) — The U.S. Steel Corporation and the United Steelworkers (C.I.O.) today agreed to pay increases averaging 13 cents hourly and the firm announced it had no alternative but to raise prices to meet the resultant higher labor costs. The raise ranged between 9½ and 25 cents. It will affect about 170,000 production workers. Steel workers now average about \$1.55 hourly.

clubs and dispersed the crowd.

Haifa dispatches said Jewish ground forces were advancing on Nazareth and had encircled the town, which is being used as a base by Fawzi Pasha al Kaukji, leader of the Arab volunteers.

The dispatches said Israeli forces captured the village of Ilut, three miles west of Nazareth.

A Haifa dispatch said Israeli forces smashed Arab resistance at Tireh, four miles south of Haifa, and eliminated the last threat to their supply highway between Haifa and Tel Aviv.

While the village had not formally surrendered, Jewish forces were mopping up after wiping out or capturing the main force of 700 Iraqis who had been entrenched there since British troops left, the dispatch said.

In western Galilee heavy fighting was reported by a Lebanese communiqué issued in Beirut.

Kenneth McMillan wishes to announce his return to the carpentering business, which will include the other trades, painting, septic tanks, concrete work, roofing, repairs. Being resident in Sooke for 12 years and having had responsible jobs in this district for the Department of National Defence, I feel that I can still be of service to my old clients.

Being an ex-serviceman serving overseas with the 67th Western Scots and also as a member of the R.C.N.V.R. in 1914 and 1915, your work is gladly solicited. Residence on Grant Road, and any message can be left at 5P, Sooke, B.C., in care of Mrs. M. Bowles, General Store. — C. H. McMillan.

MOUNT TOLMIE BUS PATRONS

Please Note

Effective July 18, buses will enter and leave the City via Pembroke, Begbie and Pandora. Transfer point to and from Oak Bay and Shoal Bay will be Begbie at Pandora.

B.C. ELECTRIC

Alberta General Election Called For August 17

EDMONTON (CP)—Premier Manning announced today an Alberta general election will be held Aug. 17. Candidates for the 58 legislative seats at stake must be nominated by Aug. 7.

The announcement did not come as a surprise as there had been unofficial predictions for weeks that the province's Social Credit administration would go to the polls early in August. Approximately 120 candidates have been nominated already for the 57 seats that will be at stake.

It will be Canada's fifth provincial election this year, the most in one year since 1912, when five were held. Elections were held in Ontario June 7, Saskatchewan June 24, and New Brunswick June 28, Quebec voters will mark ballots July 28.

SINCE 1935 POLLING

For the first time since 1935 when the late William Aberhart led his new Social Credit movement to an overwhelming victory, Liberals are making a separate bid for power. In the 1940 and 1944 general voting the Liberals joined with others opposed to Social Credit in supporting independent candidates.

The C.C.F. also has candidates already for almost every constituency. J. Percy Page, leader of the Independent movement, has announced his party will have about 20 nominees running. Labor-Progressives who nominated 30 in 1944 have only two in the field this time and the party has announced it will support the C.C.F.

The Social Crediters are seeking their fourth consecutive general election victory.

At dissolution Premier Manning had 49 followers in the Assembly. There were three Independents, two members of the C.C.F., one Independent Social Credit, one Veterans' M.L.A., and three representatives of the armed forces.

WINNIPEG (CP) — Provincial Forestry Department officials said today the forest fire situation in Manitoba appeared good following overnight rains which fell in the central part of the province, where the majority of blazes have been raging.

Elsewhere, a lull apparently prevailed in ground fighting in Palestine, but a Baghdad communiqué said Iraqi planes raided Haifa and set a ship afire.

A Jerusalem dispatch quoted Jewish intelligence reports as saying "large numbers" of Arabs are fleeing from the Holy City.

Polish Boy, 14, Joins Father Here

Janusz Gajda, 14-year-old boy who lived between the German and Russian fronts for some time during the war in Poland, arrived in Victoria Thursday, following a seven-day plane trip from Warsaw, to live with his father, S. Gajda, 2612 Douglas Street.

Mr. Gajda, an employee of a Victoria brewery, applied to the Canadian Legation in Poland one year ago for permission to have his son join him here, and is trying to get Janusz' mother out to Canada also.

Young Gajda was born at Bainbridge, Vancouver Island, but went to Poland in 1935, where he had some exciting experiences during the war.

Mr. Gajda plans to teach his young son English at home and then enroll him in school here.

To Sell Sable Island Ponies

MONTREAL (CP) — Sable Island's famous ponies are for sale.

The War Assets Corporation Thursday advertised the sale of about 300 of the stunted little animals which exist among the sparse grass and sand dunes of the barren island 100 miles from the coast of Nova Scotia.

W.A.C. officials here were unable immediately to say why the ponies were being sold, but believed it was because of overcrowding in the pony population of the island known as the "Graveyard of the Atlantic" because of its toll in stranded ships.

There are two theories about the ponies' origin on Sable. One is that a long-forgotten ship was wrecked in the shifting sands and its cargo of horses got ashore. Some survived and originated the breed.

Another theory is that the ponies are descendants of horses brought there many years ago by New England settlers who abandoned their animals as the sea began to devour the sand spits.

City Club To Send Neckties Overseas

Members of the Victoria Rotary Club have been asked to bring two or three of their old neckties with them when they attend next week's meeting.

The unusual request was made at a club meeting Thursday by Col. H. T. Goodland. The ties will be sent to members of a Rotary Club in England.

Men in the United Kingdom are wearing very old ties so their precious clothing coupons can be used for more essential garments, Col. Goodland said. Ties sent from here as gifts, however, would not require coupons.

"Make those ties conservative or the Englishmen won't wear them," Walter Fletcher, who recently returned from overseas with the B.C. Buyers' Delegation, warned fellow members.

Red British M.P. Barred From U.S.

LONDON (CP)—The British Communist Party stated Thursday that Phil Piratin, one of two Communist members of Parliament, had been refused permission to enter the United States.

He had sought a visa to attend the national convention of the United States Communist Party, to which he was invited as a "fraternal delegate." E. D. Kuppinger, U.S. consul here, said Piratin was "mandatorily excludable from the United States on political grounds."

Mennonites Send Food To German Children

KITCHENER, Ont. (CP) — More than \$8,000 worth of food will be shipped this week from Manitoba to feed children in the British zone of Germany, the Mennonite Central Committee announced here.

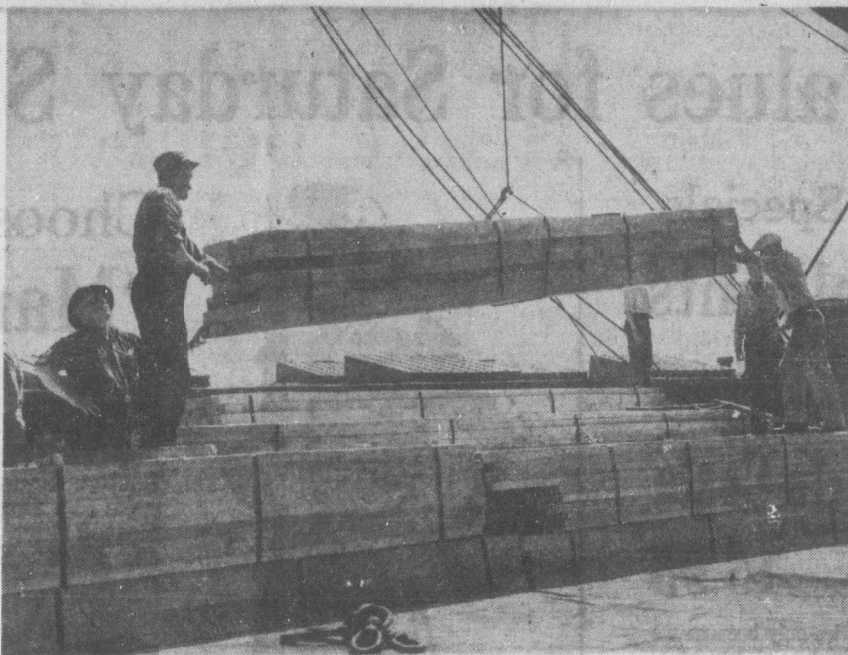

Sixty thousand pounds of oatmeal will be shipped from Winnipeg; processed fruits, vegetables and meat, weighing 20,794 pounds, will be shipped from Winkler, Man. A Mennonite relief clothing shipment weighing 22,180 pounds will be included.

Farmers At Fair Dumped By Machine

YORKTON, Sask. (CP)—Four district farmers who visited the exhibition here are wishing they had stayed with midway rides.

While a friend of theirs, demonstrating a hay pickup machine, was absent, the four decided to take a ride. They climbed aboard after starting the mechanism.

An automatic release checked the rack on which they sat after it had descended high in the air. Dumped in a heap, three of them are nursing bruises, while a fourth is in hospital with rib and shoulder injuries.

BUNDLED LUMBER FOR ARABIA—For the first time, lumber is being shipped from Victoria in "bundles." Said to make handling easier and quicker, the new bundle method is being used to load 600,000 feet of Vancouver Island lumber aboard the Ss. William Tilghman now at Ogden Point. The lumber is destined for the Arabian Oil Company in Alkhobar, Arabia.

Narcotic Addicts Most Numerous In Quebec, Ontario, B.C., Manitoba

OTTAWA (CP) — Canada's "average" narcotic drug addict is a native Canadian living in one of the Dominion's four biggest cities. He is between 25 and 35 and seldom is guilty of violent crime.

These and other facts about drug addiction were disclosed today in a 69-page report by the federal health department. It is of special interest in view of the seizure in Vancouver last week of \$400,000 worth of brown heroin.

That seizure and the arrests which went with it are believed to have smashed a narcotics ring with Canada-wide connections.

POSTWAR STUDY

The study which led to the department's report was launched after the war to determine the facts so that more effective steps can be taken to combat narcotic addiction and—possibly—eliminate it in Canada.

A technical advisory committee recently completed nine months' work and recommended various steps to the government. The recommendations have not been made public.

Chief centres of the illegal traffic are Montreal, Toronto, Vancouver and Winnipeg, the report says. By the same token, the provinces in which drug addiction is greatest are Quebec, Ontario, British Columbia and Manitoba.

Ontario has the largest number of convictions and accounts for about one-third of Canada's total. The report says addiction is "more widespread in this province, which has so many urban centres."

Some cities show similar patterns in the illicit traffic, some different. Until 1943, for instance, heroin was especially evident in Toronto and Winnipeg. Opium is the commonest drug in the traffic in Vancouver and has been showing up recently in Halifax.

In all these cities, and in other places, addicts are frequent "repeaters" in the courts.

Between 1930 and 1946 there were 3,240 convictions for offences involving narcotics. Montreal with 552, Toronto with 729 and Vancouver with 656 provided 59 per cent of the total. Eastern Manitoba, which includes Winnipeg, is lumped in the statistics. It had 287 narcotic convictions during that period.

FEW YOUTHS INCLUDED

One encouraging fact came out in the report: There is no evi-

Nesting Place Of Rare Cranes Found

FLIN FLON, Man. (CP) — Whooping cranes, rare species of bird whose history and habitat are under investigation by ornithologists, are reported to be nesting near this centre on the Manitoba-Saskatchewan border.

Identification of the birds as whooping cranes is said to be "fairly positive." Fred Bard, curator of the Saskatchewan museum at Regina, has been notified, and is said in turn to have notified the Audubon and Wild Life Society of America.

To protect the birds from being frightened away by curious visitors, the location of the area in which they are reported to be nesting is being kept secret. Five persons are reported to have been so close to one of the birds, that its red tipped head could be clearly seen.

Durocher Succeeds Ott As Giants' Manager

Stranahan Top-Heavy Canadian Golf Choice

HAMILTON, Ont. (CP)—The obvious stop-Frank Stranahan sentiment among spectators at the Canadian amateur golf championship on the nearby Ancaster course doesn't appear likely to bring any concrete results.

The 26-year-old golfer from Toledo, O., rules as odds-on favorite to take the championship back to the United States for the second successive year, as a companion piece to the British amateur title he won earlier this year.

Right now two obstacles stand in his way. The first is a 36-hole semifinal match today against another United States invader, Larry Dana Jr. of Bradford, Pa. If he gets by that one, he goes into a 36-hole final Saturday against either Walter McElroy of Vancouver or Joe Stoddard of Hamilton—the surviving Canadians who play in the other semifinal bracket.

Stranahan yesterday downed a fellow-Canadian, Doug Ford of New York City, 2 up in a tough match and then went on to dispose of a Canadian hope, Gil Walker of London, Ont., in the fifth round.

But there isn't much support for Stranahan in the galleries. Spectators loudly applaud shots by his opponents. But most of his shots, even when spectacular, are greeted by chilly silence.

TOO MUCH PRESSURE

Ford twice came from behind to even the match. But Stranahan's consistent pressure proved too much and finally the New Yorker gave way on the 17th and 18th holes.

Against Walker, Stranahan won 4 and 3. He shot 12 pars and three birdies over the 15 holes and was three under par when Walker went out.

Dana was forced to two extra-hole matches in play yesterday.

Going Steady

Program Set For Minor Baseball Day

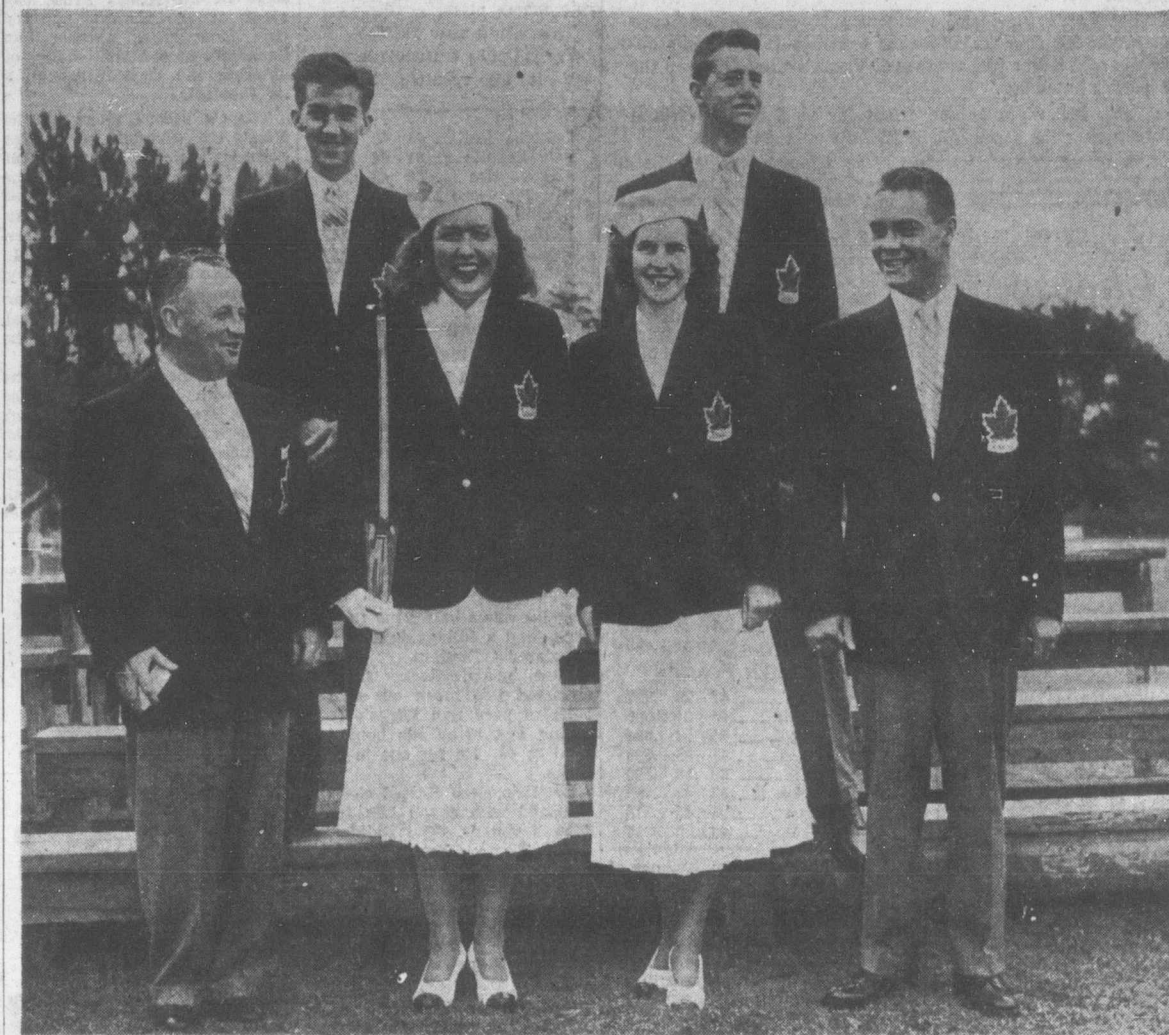

It will be "Minor Baseball Day" in the city tomorrow as the kids take over Athletic Park for the day starting at 2 in the afternoon and running through until the final game is completed under the lights.

First on the program is the bantam game scheduled for 2 between the league all-stars and Knights of Pythias.

At 4, Pacific Meat will play Tillcum's. Both teams qualified for the right to play in the feature with victories last night. Pacific Meat squeezed it by Spencers 8 to 7, while Tillcum's whipped Bottle Exchange 10 to 4.

Third game on the triple-header will start at 8 under the arcs,

Victoria's Olympic Games Contingent

Smartly attired in their Olympic dress, five members of the Victoria Y.M.C.A. and members of this year's Canadian Olympic team pose with swimming coach Archie McKinnon at Montreal prior to their departure for Halifax and the trip to London. Front row, left to right, McKinnon, Irene Strong, Elaine Silburn, Eric Jubb; back row, Cliff Salmond and Peter Salmon. Miss Silburn and Salmond will represent the Dominion in track and field while Miss Jubb, Strong and Salmon will vie for Olympic honors in swimming.

Program Set For Minor Baseball Day

with Eagles and Tillcum's of the Juvenile League seeing action. Finals of the woodenface competition will take place preceding the juvenile game at 8, with proceedings set to commence at 7.30. Former champion Gordon Carey will be on hand to shoot for the week-long road trip with the Athletics that goes with the first prize, and he will be opposed by his brother, Chris Carey, and Billy Abbott in the finals. Also on the program is a special woodenface competition for girls.

Chinese Students Whip Penguins To Earn Playoff Berth

Chinese Students defeated Penguin Cafe, 11 to 7, last night to gain the final playoff position in the men's senior B softball league.

Winners counted two runs in the first inning and continued their assault in the next three frames, scoring three runs in each to take an 11 to 2 lead. Penguins scored two in the fifth, two in the eighth and one in the ninth.

Derr and Marr homered for the students and Bacon for the cafe men.

Sidney came from a 6 to 0 deficit to edge Army and Navy Taxi, 8 to 7, in a women's senior A section tilt. Sidney made five double plays during the game.

In a juvenile boys' game, Page Cleaners whipped C.C.Y.M., 20 to 3.

In the men's senior C circuit Canadian Scottish defeated Douglas Hawkes, 7 to 2, with Art Cross registering his eighth straight mound triumph. Post Office defeated B.C.E.R., 20 to 10, in the other C tilt. Ray Bell hit two home runs.

MILWAUKEE — Charles (Cabe) Lewis, 131½, Brooklyn, knocked out Phil Zwick, 125, Kaukauna, Wis. (1).

Trials Scheduled By Cycle Club Tonight

Victoria Cycle Club will engage in a practice run to Sidney tonight, leaving Hillside and Quadra Streets at 7.

The regular club time trials will take place at Beacon Hill Park at 7. All members are asked to attend the meets tonight as races are being planned for the future.

A beach party will be held at Cadboro Bay, July 21.

Mead's Ninth-Inning Home Run Stops A's

By TERRY SHAW

VANCOUVER—Charlie Mead's high pop fly, which dropped over the short right field fence in Capilano Stadium, in the last of the ninth gave the home team a 5 to 4 victory over Victoria Athletics here last night in the first game of a four-game W.L. series.

The defeat spoiled the A's chances to move to within a game of the second-place Bremerton squad, which dropped a 2 to 2 decision to the loop-leading Tacoma Tigers.

Bill Harmsen started on the hill for the Athletics and, after giving up a single counter in the last of the first, blanked the Caps until the eighth when Bill Reese opened the frame with a triple and scored as second-sacker Jack Palmer fumbled Mead's grounder. Joe Blankenship took over for the Norbertmen, but Russ Walseth's misfire, and singles by Sandy Robertson and Len Tran tied the game, as the A's had built up a 4 to 1 margin by the sixth. Mead's payoff clout came after two were out in the ninth.

Victoria opened the scoring in the first when Charlie Balassi greeted Capilano starter Larry Manier with a single and promptly plied second. Archie Wilson came through with a timely base-knock to score Balassi. The lead was short-lived, however, as Joe Kaney singled for Caps in the last of the first and went to third on Frank Mullens' one-bagger. Kaney crossed the dish after Bill Reese lifted a long fly to Wilson in centre.

REGAIN LEAD

A's scored a singleton in the fourth to move ahead, 2 to 1 when Babe Jensen singled and went to second on Tran's error. Walseth drove him home with a single to right. Another pair in the top of the sixth disheartened the 3,200 fans as Wilson started off the frame with a 385-foot homer over the centrefield wall. Jensen clouted his second hit of the game and went all the way to third on Dick Morgan's safety and another boot by Tran. Jensen scored on Sal Reese's loft to left field.

This marked the end for Manier, and Sandy Robertson took over the hurling chores for the Caps. Robertson quickly quelled the rally in the sixth and set the A's down one, two, three in the seventh and eighth, but ran into trouble in the ninth. Walseth opened with a single, but Blankenship, attempting to bunt, lifted

a foul to first sacker Reese. Balassi added another spark when he lashed out a single, but Lou Kubiak and Palmer both skied out to end the inning.

Victoria was again without the services of first baseman Vic Buccola, but he is expected to

get back in into the line-up in the second game of the series tonight.

Walseth led the 11-hit attack for Victoria with three singles in four trips, while Balassi, Wilson, Jensen and Morgan each hit two for four.

Other results last night saw Wenatchee squeeze past Spokane 9 to 8 and Salem ripped Yakima 3 to 2.

MOUND DUEL

Tacoma now leads Bremerton for first place by two and a half games. Ken Clary, Tacoma right-hander, and Bremerton's John Marshall hooked up in a mound duel, each giving up eight hits.

Five home runs marked the Wenatchee-Spokane fray, but it was Jess McWilliams' ninth-inning single that drove in Len Scarpell with the run that enabled the Chiefs to sweep their three-game set with Spokane.

Slugging Sammy Samhammer blasted out a two-run triple in the fifth and singled home Al Spaeter in the seventh to account for all the Salem tallies in the Oregonians' win over Yakima.

Burt Shotton Back At Helm Of Brooklyn Club

NEW YORK (AP)—Mel Ott resigned today as manager of New York Giants and was succeeded by Leo Durocher, whose job as pilot of Brooklyn Dodgers was turned over to Burt Shotton.

Shotton was pulled out of semi-retirement a year ago by Brooklyn and led the club to the pennant after Durocher was suspended by Commissioner A. B. Chandler.

Durocher had been manager of the Dodgers, the Giants' arch rival, since the start of the 1939 season. Ott has been boss of the Polo Ground outfit since 1942. He joined the club as a player 23 years ago, when only 15.

The announcement of Durocher's resignation and Shotton's return to the Dodgers was made by president Branch Rickey at Cincinnati. He flew there from Brooklyn after conferring with Durocher last night.

Ott, one of the best liked members of the baseball fraternity, will take a brief vacation and then return to the Giants staff in a capacity still not determined.

Horace Stoneham, president of the Giants, said Durocher would take over the club tonight in Pittsburgh. Shotton is expected to take over direction of the Dodgers at once in Cincinnati.

Keating Brothers Win Bowling Honors

Jack and Jim Keating of Victoria West won the city men's doubles lawn bowling championship and the Fairall Cup this week with a 25 to 15 victory over Willie Wilson and Chris Langdon of Canadian Pacific.

A. Findlay and C. Fairall, Victoria West, finished third and S. Smith and H. Philbrook, Victoria West, fourth.

Draw for play in the Barnard Cup which opens at Victoria West tomorrow at 2 follows:

1—H. Harrison (V.W.); 2—L. Passmore (B.); 3—S. Clark (C.P.); 4—Baxendale (V.); 5—J. Keating (V.W.); 6—J. Richardson (L.H.); 7—Barr (C.P.); 8—H. Gahan (V.); 9—C. Fes (V.W.); 10—W. Davidson (C.P.); 11—A. Findlay (V.W.); 12—T. York (V.); 13—S. Kinsey (B.); 14—W. Gibson (L.H.); 15—Houseman (V.W.); 16—A. F. Mitchell (L.H.); 17—H. Baker (V.W.); 18—C. Wood (C.P.); 19—Imrie (V.W.); 20—Lomas (V.); 21—T. Campbell (B.); 22—Moorehouse (C.P.); 23—J. Little (V.W.); 24—L. Robbins (V.).

One to 16 to play at 2 p.m., and 17 to 24 at 4 p.m.

Key: V.W.—Victoria West; B.—Burnside; C.P.—Canadian Pacific; V.—Victoria; L.H.—Lake Hill.

Suspend Boxer For Rough, Dirty Tactics

CINCINNATI (AP)—Oakland Billy Smith, light-heavyweight boxer was suspended permanently by the Cincinnati boxing commission and fined \$50 for using rough tactics in the fight he lost Wednesday night to Bert Lytell of Fresno, Calif.

The veteran negro boxer was found guilty by the commission of "unsportsmanlike tactics" in the 10-round contest he lost to Lytell.

The commission said the tactics included butting and spitting in the face of his opponent.

Paige Proves Worth With Relief Victory

It's Bill Veeck's turn to laugh now. Old Satchel Paige has contributed an important victory to Cleveland Indians' pennant drive.

When Veeck, Cleveland president, signed the ageless negro pitcher to his first major league contract July 7, some observers said it was just another of Veeck's stunts to keep the turnstiles humming.

Paige last night gained credit for an 8 to 5 Cleveland victory over the second-place Philadelphia Athletics.

The triumph enabled the Indians, who won the first game 6 to 1 of a doubleheader behind the four-hit pitching of Steve Gromek, to increase their first-place American League lead over the Athletics to 2½ games.

"Satch" relieved starter Bob Lemon in the sixth inning and snuffed out a Philadelphia rally that brought the A's within a run of a tie.

The Indians scored once in the seventh to take a 5 to 3 lead but the A's came back and tied it up

Chicago	23	50	.315

when Hank Majeski cuffed one of Paige's slants for a two-run homer but after that Paige applied the brakes.

Ken Keltner quickly put Cleveland ahead again by hammering his 21st homer of the year in the eighth inning and Larry Doby clinched the decision for the cun-ning Paige by bailing out a two-run four-master in the ninth. Phil Marchildon of Penetangulshene, Ont., and Dick Fowler of Toronto were the losers.

The twin setbacks cut the A's margin over the third-place New York Yankees to one percentage point as the world champions beat St. Louis Browns 4 to 2 in a night tilt at New York.

The up-and-coming Boston Red Sox took a day-night doubleheader from Detroit Tigers 13 to 5 and 3 to 2 at Boston.

Boston Braves pulled six games ahead of the runner-up Pittsburgh Pirates in the National League's pennant race, beating and tying Chicago Cubs 2 to 1 and 1 to 1, while the Pirates split with New York Giants.

13-INNING DEADLOCK

The second game between the Braves and Cubs was called at the end of 13 innings because of darkness with the score tied. Rookie shortstop Alvin Dark of the Braves went hitless in the first game to end his consecutive game hitting streak at 23.

The Pirates clipped the Giants 4 to 3 in the first game. Ralph Kiner blasted his 24th round-tripper for the Pirates to tie Cincinnati's Hank Sauer for the major league home-run leadership.

Ray Poat hurled the Giants to a 10 to 3 triumph in the second game, scattering eight hits to gain his ninth victory.

Seals Skid Into Fourth Position In Coast League

That thud heard around the Coast League today was San Francisco's skidding Seals hitting fourth place.

This was a new 1948 low for Lefty O'Doul's erstwhile leaders, and it all resulted from a

Oakland	63	46	.578
San Diego	61	48	.560
Los Angeles	60	48	.556
San Francisco	58	48	.547
Seattle	51	53	.490
Hollywood	49	56	.467
Portland	43	61	.413
Sacramento	40	65	.381

double drubbing the Seals received last night from Los Angeles, 3 to 1 and 2 to 0.

Both the Angels and San Diego, which helped itself to 6 to 3 and 3 to 1 wins over Sacramento, clambered over San Francisco. San Diego, in fact, jumped to second place, just two games back of Oakland, which held firm with a 10 to 7 conquest of Hollywood. Los Angeles was a half-game further back—and a full game ahead of the dazed O'Doulers.

That man, Jack Graham, slammed two more out of the park to pace San Diego's twin killing and bring his home-run total to 43. He hit one in each game.

Seattle's Herb Karpel checked Portland with seven hits for a 4 to 2 victory. The Rainiers—with Tony York's two-run double the payoff—raked Jim Tote for three runs in the fourth to settle the issue.

Seven Canadians Gain Final Stage Of King's Prize

BISLEY CAMP, Eng. (CP)—Seven Canadians today won their way into Saturday's final stage of the King's Prize, top event of the Empire military rifle shoot here. Another two Canadians have a slim chance of entering the classic through a tie shootoff.

Today's second stage of the King's cut the field to 100 for Saturday's final. For the silver medal and leadership of the second stage, three marksmen tied with 146 of 150—R. R. Parker of Australia, Cpl. R. J. Kerslake of Devon, and CPO. M. L. A. Johnson of the Royal Navy.

The leading Canadian, veteran Sgt. Alec Farnell of Montreal, was only one point behind the top with 145.

Other Canadians entering the final with their scores in the second stage are Lt.-Col. Jack Steele of Guelph, 144; CSM. Norman McLeod, Toronto, 143; Cpl. Thomas Woods, Montreal, and Sgt. Martin Ostergaard, Calgary, each 140; Police Chief

Jack O'Connell of Fredericton and Sgt. R. S. Potter, Hamilton, off with 21 others, all scoring each 139.
Maj. A. E. Gormley of Charlottetown and Capt. S. W. Graham of Toronto will shoot off with 21 others, all scoring 138 today, for two remaining places in the "King's Hundred" tomorrow.

Free-Scoring Game Captured By Eagles

Scoring five runs in the last of the eighth inning after giving up seven markers in the seventh, Eagles last night stole a wild ball game from the Navy, 12 to 11, in a senior amateur tilt at Athletic Park.

Leading 7 to 4 going into the seventh, Eagles appeared to have things well in hand. But then their defence fell apart and the Navy rammed seven runs across the plate before Toad Garnet could retire the side.

Two Navy errors combined with two hits, two hit batters and a pair of walks enabled the Eagles to pull the game out of the fire in the eighth.

Jim Morrison, with three for four, paced the Eagles' stickers. Padgett picked up three hits for the losers.

Tonight Ben's Bombers play Boosters at Athletic Park at 7.

Pigeon Racing

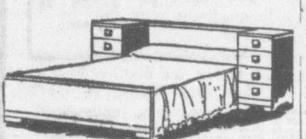

The Victoria Racing Pigeon Club held its third race of the season, from Hope, B.C., a distance of 82 miles. Fifty-four birds, from seven lofts, took part.

Canada's Olympic Athletes On High Seas; Coaches Confident

HALIFAX (CP)—The decks of the liner Aquitania last night with Canada's Olympic boxing, wrestling, track and field, and cycling teams as they sailed to the 12th Olympiad in London's Wembley Stadium.

The Dominion's Olympic contingent of 105 athletes, including 15 women, sailed as part of the liner's more than 1,300 passengers.

The mass training program will continue for the remainder of the five-day voyage with all athletes participating. Team managers and coaches are making certain none of their charges will "tighten up" with the 17-day spectacle opening less than a week after their arrival.

Actually, Canada has 106 athletes competing in 11 sports. Veteran marathoner Gerard Cote of St. Hyacinthe, Que., has been training in England for the last two weeks.

Unlike the American team, Canada's carries no extra rations with it. Officials say they do not expect to use all of Canada's supplementary food, practically all donated, which has already gone overseas.

The Maple Leaf's best chances for top honors are in track and field. A well-balanced 19-man squad made manager Fred Rowell of Vancouver, and Ken Yost of Winnipeg, optimistic about the relays and short distances.

WOMEN CONFIDENT

Nine women tracksters, mostly from British Columbia, have especially high hopes for the relays. There are four women swimmers and two fencers rounding out the women's squad. Also carrying Canada's colors

Thompson Again Star In Foul Bay Victory

Foul Bay lacrosse club continued its upward climb in the standings last night by handing the Jokers a 7 to 2 defeat. Aln Thompson, together with the Bay defence, proved the mainstay of the win as Jokers' sharpshooters were held scoreless for the entire second half.

Roy Woolsey's crew got off in the right direction by scoring the opening goal as Ralph Temple put one by Thompson after a minute and a half. Goalie Bill Andrews in the Jokers net was outstanding as he turned aside nine attempts by the whiteshirts. In the initial frame, Thompson was called on for five saves.

Tommy Halbert brought Foul Bay on even terms with a marker at the five-minute mark of the second stanza, and was followed a minute later by a tally from teammate Dick Chungranes. Jokers then tried hard for a break and got it when the elusive Temple knotted the count at 2 to 2 just as the first half ended.

After the breather, and with goals at a premium, teams tightened their defensive play and, as a result, there were no counters in third canto. The Gonzales boys allowed only one shot at their netminder, while Jokers saw their last line of resistance tested five times.

BREAKS DEADLOCK

Chungranes finally broke the deadlock with his second goal of the evening for Foul Bay, giving them a 3 to 2 edge at the start of the final quarter. Vic Sage increased this margin and another goal from the stick of Halbert put the eventual winners on the long end of a 5 to 2 count. Will Scott then fired home a clincher and Sage tallied again to really put the game on ice.

Goalie Andrews must wonder what a fellow has to do to win a game. He blanked the winners in the first and third periods and stopped a total of 20 shots. It still fell short of the sparkling performance turned in by Thompson who shut the Jokers out in the two final sessions. Thompson made 13 saves on 15 shots.

The Foul Bay victory dipped the Jokers into second place in the standings and let Nanaimo back into the league leadership. Jokers tackle Nanaimo on Saturday night at the up-island centre and can regain top berth with a win.

Teams and scores follow:

Foul Bay—Thompson, Chungranes 2, W. Scott 1, Sage 2, L. Scott, Taylor, J. Thompson, Hudson, Malcolm, Gower, Thomas, Halbert 2.

Jokers — Andrews, Thomas,

List Line-ups For Saturday Cricket

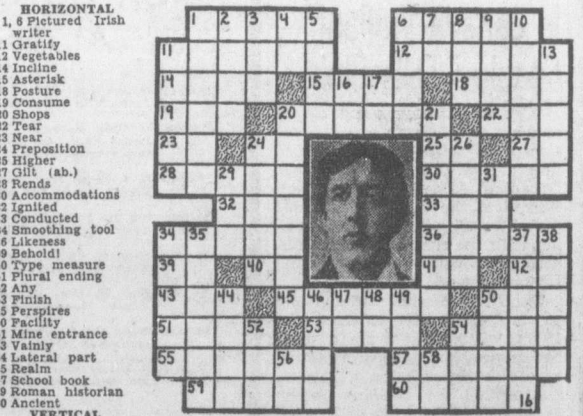

Three games are set for the Victoria and District Cricket Association tomorrow with Oak Bay playing the Incogs at University School in what promises to be the feature of the program.

Ex-R.A.F. will meet Five C's at MacDonald Park and Albions will play Navy at Naden in the other two matches. All games start at 2.30.

Five C's line-up follow: A. Griffin, G. Payne, J. Payne, McKeachie, Inglis, Richards, Waygood, Grealy, Wharf, G. d'Easum, Harper.

Albions—McIlvenny, Oakman, Pritchard, Shanks, Rowe, Davidson, Corbin, Bowkett, Edwards, Parker and Pite.

Flood Rehabilitation Machinery For B.C. Interior Starts Moving

Policies authorized at the recent flood session of the B.C. Legislature regarding rehabilitation and reconstruction in flood areas outside the Fraser Valley are being implemented.

This was announced by Premier Byron Johnson today following a cabinet meeting.

He said Lands and Forests Minister E. T. Kenney who surveyed flood damage throughout the province is in charge of organizing the work.

Mr. Kenney has arranged for government agents to handle rehabilitation and they will be assisted by assessors who will make necessary field inspection.

Also assisting will be district agriculturalists, forest rangers, public works engineers. Services of other government officials will be enlisted where necessary.

"Special consideration is being given the diking districts near Creston as well as the municipal-

ties that had extensive damage," Premier Johnson stated.

Consulting engineers and auditors will deal with the problems of rebuilding the dikes and payment of costs of flood control as may be agreed on in each case.

PROVINCE TO PAY ALL

The basis of rehabilitation will be the same as in the Fraser Valley, the only difference being that there will be no contribution from the Dominion government, the Provincial government bearing entire costs.

"The machinery is already in motion but it takes a little time to get around to everyone," Mr. Kenney said when questioned on the Premier's statement.

The submissions of those who already have sent in requests or statements are being sent to appropriate authorities," he said.

"Others who may wish to claim assistance should get in touch with the nearest government agent or assessor."

Begonia Growers Open Annual Show

Hundreds of blooms of varying hues of red and orange filled the Hudson's Bay Company's Douglas Room today as the first annual show of the Victoria Begonia Society was opened by Dave Nicol, president of the group.

The show is the first of its kind to be held in the Pacific northwest, preceding by one day the first display by Seattle growers.

The two-day exhibition is open to the public, but a door collection will be taken, with proceeds to go to the Queen Alexandra Solarium.

The hundreds of begonias on display are from the gardens of 65 members of the society, which was formed last January.

Portable Stage Shipped To Victoria For Theatre

A 16,000-pound portable stage, the largest to be transported by water to Vancouver Island, arrived by C.P.R. freight today.

The stage was shipped from Vancouver for the Starlight Theatre which will open on Monday. Sixty feet long by 40 feet wide, the stage will be assembled at the Royal Athletic Park Saturday after the ball game.

Two-day clinic of the Red Cross mobile transfusion unit in Victoria this week netted 276 pints for the Red Cross blood bank, it was announced today.

Another dance sponsored by the Chinook Club of the Victoria-Saanich Inlet Anglers' Association will be held Saturday night at the Anchorage, Brentwood Bay. Anglers and others are invited to attend.

Britain To Buy Canadian Planes

Canadair, right, is of the type the British will use on overseas routes. Above is an interior scene in one of the planes in the service of Trans-Canada Airways, whose own name for the type is North Star.

LONDON (CP)—The Daily Herald reported today the government had decided to buy Canadian four-engine aircraft for service on British Overseas Airways Corporation routes "because of the immediate need for planes that can be operated on an economic basis."

Purchase of aircraft for the government-owned company has been studied by a cabinet subcommittee which by a majority decided that Canadairs, built in Montreal, are the most efficient and most easily available machines. This was done in the face of intense criticism from British aircraft manufacturers and some newspapers.

"It is a short-term policy designed to bridge the gap in

British production of suitable passenger-carrying types," the paper added.

"On a long-term view the government is anxious to ensure that British aircraft are used by the three national (airways) corporations, but they must satisfy practical requirements of service."

The corporations are B.O.A.C., British South American Airways and British European Airways.

Decorated Vehicles Parade For Prizes At Willows Park

A decorated vehicle parade at Willows Beach Park attracted a large number of entrants and many spectators Thursday.

Miss Evelyn Usher, playground supervisor, was assisted by Miss Joan Challoner, Miss Anne Beketov and Mrs. J. Moffatt in assembling the children. Mrs. G. Sigrist and Miss Wynne Shaw were judges.

Winners were: Lucille La Croix, Joan Howitt, Gail McDermid, Carol Reid, Graham Reid, Marilyn Day, Dale Spillsbury, Sara McKinnon, Helen Irving, Peter McKinnon, Ross Howitt, Bob Jeffrey, Murray McLaughlin, Alex Peden, Billy Webb, Wally Watson, Ronnie Grossmith, Patrick Barclay and Douglas Barker.

Mrs. E. L. Aubel was in charge of the prizes and candies given all entrants.

This afternoon the children at Windsor Park staged a costume parade and concert. Prizes and tokens have been presented by Mrs. S. A. Haynes and Mrs. L. H. Davies. Mrs. P. A. Gibbs and Mrs. Richard Felton were judges.

Baseball is becoming so popular at the Oak Bay parks junior teams have been formed of boys 10 years and under. The first game between Windsor and Willows parks will be played next week.

VISIT FIRE HALL

Seventy-five children from Windsor Park visited the Oak Bay fire hall Wednesday. Fire Chief Clayards and his staff demonstrated methods of extinguishing fires and the use of the inhalator.

A group of older children from Willows Park were escorted on a tour of Christ Church Cathedral by the verger, W. J. Neill, Wednesday.

Mrs. A. L. Gellert is teaching shellcraft to older girls and Mrs. J. A. Gibbs instructs a class in modeling flowers in clay.

A sand castle contest will be held at Willows Beach on Thursday morning and at Windsor Beach on Friday morning.

Vancouver Chinese Sales Tax Inspector

J. C. Lowe, Vancouver Chinese, has been appointed an inspector of the sales tax commission of the provincial government.

His appointment was announced today by L. F. Detwiller, tax commissioner, who said Mr. Lowe will spend the next few weeks visiting Chinese merchants and explaining to them details of the tax and methods of collection.

Later he will act as inspector and auditor.

It is believed the appointment will be welcomed by merchants who do not understand English well and who are having difficulty understanding the sales tax regulations.

Mr. Lowe speaks Chinese, is Canadian-born, was a captain in the intelligence service of the Canadian army during World War II.

Red Cross Seeking Swim Instructors

Proficient swimmers, preferably over the age of 18, are being sought by the Red Cross to instruct others how to swim.

There is a great need for qualified swimming instructors in this city, Bob Stahgroom, director of the Red Cross water safety program, announced today.

As an example of this need, he said: "We called a class for beginners at the Crystal Garden last week and 120 children showed up when we were expecting only about 50. We are naturally pleased with the response but we can't properly teach them all with only two instructors."

To alleviate the situation, the Red Cross is planning to give a special instructors' course as soon as enough volunteers have been found. It is hoped the course can be started next week.

Persons interested in enrolling should contact Red Cross headquarters at B 3159.

B.C. Navigation Maps Available To Pilots

A complete series of air navigation maps of British Columbia are being made available to licensed pilots through the B.C. Aviation Council.

The provincial Department of Trade and Industry has supplied the maps, printed by the hydrographic and map service of the federal Department of Mines and Resources, to the aviation council.

The maps give a clear topographical description of the province and all necessary details for pilots flying over the rugged terrain.

Says Unions Fail To Co-operate On Wages, Holidays

W. E. A. Barclay, paymaster at Yarrow's Ltd., said today the company was receiving no co-operation from local shipbuilding unions in arriving at a new agreement with regard to an increase in wages, improved working conditions and longer vacations.

Negotiations with the union had been proceeding for the past six weeks, he said, and the company had notified union representatives that it could not entertain the requests for increasing the vacation pay and pay for statutory holidays.

"We can only discuss wages when they submit to us a reasonable increase," he said. "We are prepared to discuss a reasonable increase—one which would give something extra with which to pay the grocer's bill, and one which might give us a fighting chance of staying in business."

He disclosed that Victoria and Vancouver shipyard unions were making demands for 25 cents to 35 cents per hour increase in wages, as well as pay for statutory holidays.

COULD NOT COMPETE

Mr. Barclay said if wages were increased beyond reason it would mean the end of shipbuilding for the west coast. "We will not be able to compete with eastern shipyards," he said.

As an example he pointed out that on the eastern Arctic vessel the lighthouse and lightships for the Dominion government, the company tenders were quite out of running with eastern Canada.

He said the Canadian government had several more ships to build and there might be a possibility of influencing the Department of Transport to have one or more of the vessels built on the west coast.

"But we can only do this if wage levels are maintained within reason," he said, "so that the government can justify to the taxpayers the increased cost involved."

Mr. Barclay said that the unions had also failed to co-operate with regard to better means of production. "If wages are to increase," he said, "production must also go up and in this respect we have received no co-operation from the unions."

Peace River District Association will hold a basket picnic at the Experimental Farm July 25 which, it is expected, will be attended by 300 members. Any former Peace River residents who have not received invitations are invited to telephone Mrs. R. N. Knight, Colquitz 245M.

French Women Tend Graves In Gratitude To Canadians

Many French graves of Canadian soldiers killed in World War II are being tended by French women to whom such service is a matter of genuine gratitude to the Canadian Army, according to Col. Thomas Moore, manager of Prince Robert House, who has just returned from a visit to his own son's overseas grave.

Col. Moore left here for overseas because of death in his family in Ireland. He also made the journey to his son's grave in France. His son, Capt. Thomas Walton Moore, R.C.A. 6th Field Regt., was killed in action July 20, 1944.

Col. Moore said he began the journey with a good deal of concern over finding the spot where his son was buried. But now that the visit is over, he is surprised at the simplicity of it and impressed with the services given by the Frenchwomen.

While in France, he was the guest of Monsieur and Mme. E. M. Mauguin, at St. Sylvain, Calvados. Mme. Mauguin, with other ladies in the district have undertaken to provide personal care for the graves of certain Canadian soldiers buried at the Cintheux Cemetery, formerly known as the Brettville-sur-laize Cemetery, close to St. Sylvain.

While a guest, Col. Moore was introduced to a Mme. E. Le Bosse who tends several other Canadian graves.

DELEGATION ACCOMPANIED HERE

A delegation was organized to accompany Col. Moore to his son's grave and on his arrival there, he found that the residents, on hearing he was in the district, had gone to the cemetery and laid a cross of lilies on the grave. From his journey, Col. Moore has brought back a list of 13 names of soldiers buried in the Cintheux Cemetery, whose graves are being tended by Mme. Mauguin and Mme. Le Bosse. The fallen warriors are from points all across Canada and from many units of the Canadian force which took so much of the force of Germans in the push which brought the war to an end.

Because he has made the trip

and has been in contact with the women who are looking after the graves, Col. Moore is now offering to give all assistance and information possible to persons who are planning to visit the grave of a member of their family at Cintheux Cemetery.

Veteran Here Out To Pay Back Blood That Saved His Life

One down and 52 to go. That was the feeling of Leo Patrick, 713 Vancouver Street, when he left the Red Cross blood clinic Thursday night after giving a donation to the blood bank.

Patrick, who served overseas with the 1st Canadian Paratroop Battalion, was terribly injured by burns in an accident while stationed in Alberta after returning to Canada.

His condition at the time was so serious, doctors administered 53 blood transfusions to him at the Colonel Belcher Hospital in Calgary.

Now recovered, he feels he should pay back the blood which saved his life, so has registered himself as a regular donor.

Red Cross officials say he will have to pay on the installment plan, however—one pint every six months.

Californian Dies On Visit Here

Robert M. Melling, 55, 3574 Lewis Street, Lynwood, California, visiting relatives here, passed away this morning in his cabin at Tee Auto Court, Island Highway, just beyond Parson's Bridge, at 2:40.

Provincial police say they believe death was due to natural causes.

Mr. Melling was staying with his sister and brother-in-law, Mrs. Grace and Milton H. Coffin in the same cabin, police said.

Graduate Studies School Headed By Prof. H. F. Angus

VANCOUVER—The president of the University of British Columbia has announced the decision of the senate and board of governors to establish a School of Graduate Studies here. Henry F. Angus has been appointed Director of Graduate Studies in the Department of Physics, Zoology, and Biology, and Botany. The president pointed out that the development of a graduate school was a direct reflection of the university's remarkable growth and an attempt to meet the demand rising from that growth.

In commenting on his appointment and the new school, Prof. Angus pointed out the university had been most careful in choosing departments that were particularly well qualified to offer graduate work. "To attempt to offer good graduate courses without adequate resources would inevitably mean weakening our undergraduate work... We do not intend to jeopardize the reputation of a Graduate School by offering partial facilities on the one hand and lowering admission standards on the other."

He went on to discuss the reasons for choosing departments of science rather than the humanities in which to set up graduate studies. "The humanities and social sciences can do their elementary work with far less outlay," but must face extremely heavy expenditures when they engage in graduate work. Libraries alone would account for a tremendous expenditure. The science departments, on the other hand, already have large quantities of apparatus and study materials that may be turned to graduate studies. Considerable preparation has been made for advanced work."

Prof. Angus maintains that the reputation of the Graduate School will be made by the achievements of its graduates. "In the early years we shall be judged by the rules that we make and the strictness with which we enforce them," he said. It had been decided that a candidate for graduate studies must have an M.A. degree or its equivalent and that he must be competent to pursue the course of study he has chosen."

The course will normally comprise three winter sessions or two-and-a-half calendar years.

Prof. Angus warned of two obvious dangers involved in developing postgraduate work. "First of all our best students may be attracted by opportunities in other countries and our schools may be left with the second-best." Safety lies, therefore, in offering first-class facilities, in providing financial assistance, and in maintaining high standards. "The second danger," he continued, "is that Canada may develop postgraduate work in the scientific departments and may not follow through in the humanities and social sciences. It is a psychological and spiritual danger. The intellectual atmosphere of a university would be bad if all its graduate students were engaged in scientific work. Diversity of thought is its life blood. Safety lies in all-round development."

NATIVE OF VICTORIA

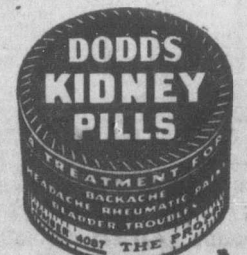

Prof. Angus was born April 19, 1891, in Victoria. He received his early education at the Victoria High School and went on to the Lycee Descartes in Tours, France. He received a B.A. from McGill in 1911 and a B.A. from Oxford in 1913. Subsequently he received an M.A. and a B.C.L. from Oxford. He has been with the University of British Columbia since 1919, receiving leave of absence in 1941 to serve as special assistant to the Under-Secretary of State Department of External Affairs.

He has published several books on political science, particularly in respect to Canada and her relations to other nations. He is a member of the Honorable Society of the Inner Temple, the Law Society of B.C., a Fellow of the Royal Society of Canada and was elected president of the Canadian Political Science Association at the annual meeting of that society in Vancouver this year.

Quick Relief From Summer Complaints

To get quick relief from diarrhoea, intestinal pains, sickness or summer complaint, use DOCTOR FOWLER'S EXTRACT OF WILD STRAWBERRY.

This dependable family remedy is one of the most effective and best known medicines for bowel complaints. Insist on DOCTOR FOWLER'S EXTRACT OF WILD STRAWBERRY.

Notice to Creditors

NOTICE is hereby given that all creditors and others having claims against the estate of George Theodore Hamilton, late of the City of Ottawa, in the Province of Ontario, Colonel (retired), who died on or about the 13th day of April, 1948, at the City of Victoria, in the Province of British Columbia, are required on or before the 15th day of August, 1948, to send to the undersigned executors full particulars of their claims duly verified by affidavit.

And take notice that after the 15th August, 1948, the said executors will proceed to distribute the assets of the estate amongst the parties entitled thereto, having regard only to the claims of which they shall then have notice.

Dated at Ottawa, Ontario, this 7th day of July, 1948.

Obliterated Scent Spoils Attempt To Find Missing Man

A tough break defeated Sir Roderick of Ogden, South Vancouver Island Rangers' bloodhound, in the search for R. W. Butler, missing near Okanagan Mission. So far as is known here the man is still missing.

The man has been missing since midnight Monday. Through Westinghouse Airways the dog and handlers Reay Meldram and Jack Stevenson were on the spot five hours after receiving a call Wednesday.

The dog immediately picked up the 68-year-old man's trail and followed it to the road. But there the search was halted.

The day the man was lost and the following day the road had been graded, wiping out the sun-faded scent completely.

The handlers packed up and returned home.

Earlier this year, the first time the trained man-tracker was called, an incoming tide wiped out the trail of a child missing at Sooke.

The trip to the Okanagan Valley was the first emergency for the dog off the island.

36 Local Artists Will Take Part In Starlight Theatre

Show business is not an easy one, is the consensus of 36 Victoria artists who have been training for the past months for the Starlight Theatre which will open Monday at Royal Athletic Park.

The artists, including chorus girls and singers, were picked from local business offices, government departments, banks and stores. They practice several days a week after their working hours.

"It's lots of fun," said Mary Beale, a bank teller, "but it is also a lot of work."

Among the artists are Mrs. Audrey Page, a housewife; Catherine Denison, office manager; Ted Boulden, custom official, and Wilfrid Lessard, postman. Many of the others are employed in department stores and government departments.

Names of the Victoria artists who will support the principal players are: Phyllis Corbett, Evanne Murray, Isobel Leask, Joan Richmond, Gael Beveridge, Bernice Faucett, Catherine Denison, Audrey Page, Louise Leask, Nancy Stevenson, Mary Armitage, Alan Keyworth, Don Brake, Ted Boulden, Myron Balagoo, Alex Hall, Gilbert Margison, John Dobbie, Don Beale, James Oakman, Alan White, Lionel Walker, Mickey Francis, John MacDonald, Lewin Mulliet, Bill McGrath, Jim McGrath, Victor Duret, Marilyn Ivings, Vera Wakelyn, June Day and Betty Anne Craig.

Grain

WINNIPEG (CP)—Coarse grain futures prices Friday showed an easier tone on the Winnipeg grain exchange. The losses reflected, to some extent, further rains across the prairie grain belt. Selling and hedging came into both oats and barley. Barley also came in for a little demand from U.S. accounts, while light shipper buying came into both grains.

Rye futures trading was confined to a few commission house buying orders during a dull session.

The United Kingdom was allocated some 300,000 bushels of wheat under the Canadian wheat agreement.

Class two wheat prices remained unchanged from Thursday.

(By H. A. Number Ltd.)
